The Stars Come Out Again and Keep the Action MovingVon Donald Mitchell"Thus you shall act in the fear of the LORD, faithfully and with a loyal heart:" -- 2 Chronicles 19:9 (NKJV)When Dirk Pitt, Al Giordino, and Rudi Gunn take to the

field, life becomes difficult for the villains and wonderfully exciting for readers. This action tale also includes Dirk, Jr. and Summer. Dirk and Dirk, Jr. are also kept busy protecting (or attempting to protect) the women in their lives. The book is enlivened by multiple story threads and mysteries that powerfully intersect before the story is over. The backdrop involves terrorism for profit and corrupt religious leaders of more than one faith. It felt gratuitous and not credible to me to make the religious leaders to be evil doers, and it made me grade the book down one star. As always, Dirk and Al trying to save the world becomes the center of the story's appeal and that center holds up well. I also liked the use of "advanced" technology in not such extreme (and not so hard to credit) forms in this book. Dirk, Jr. and Summer still come across as pale imitations of their father. I hope that future stories will be stronger in this regard. If you enjoy learning more about countries you don't know much about, you'll find the aspects of the story that occur in Turkey to be fun. I know that I did. I must also note that this is another case where the Kindle version of the book is vastly overpriced versus the hardcover. Why do publishers do that? 4 von 5 Kunden fanden die folgende Rezension hilfreich. I've read better DP adventures Von M. V. Ipenburg The quality seems to suffer a bit under the enormous production of Clive Cussler and company. Though certainly not a bad Dirk Pitt adventure, it lacks the flow of previous books. Therefore 4 out of 5 and looking forward to the next CC! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolles Buch Von Mike Buechner Was soll ich dazu sagen. Das Buch ist sehr empfehlenswert, nicht nur als Clive Cussler Fan. Wuerde ich immer wieder kaufen.

Kurzbeschreibung Dirk Pitt must fight another perilous battle in Clive Cussler's Atlantis Found. An ancient cargo long thought lost is found. With terrible consequences . . . Dirk Pitt is surveying in the Middle East when a stroke of luck reveals an Ottoman wreck with a very curious cargo. While investigating the find, he foils a night raid on Istanbul's Topkapi Palace Museum. This puts Pitt at the centre of a race to acquire a series of legendary artefacts. Meanwhile, the region is being pushed to the brink of war by a series of explosions across Turkey and Egypt. Finding that his search for the artefacts is linked to the attacks, Pitt must prevent a deranged brother and sister's fanatical plans succeeding... Packed with breathtaking suspense and fired by an extraordinary imagination, Crescent Dawn is a barnstorming read for all fans of action, suspense and intrigue. Crescent Dawn is the twenty-first of Clive Cussler's bestselling Dirk Pitt novels - the series that also includes Inca Gold and, his first novel, Mayday - co-authored with his son Dirk Cussler, in which hero Dirk Pitt finds himself caught between artefacts and fanatics.
