**Von Marquis De Sade : Crimes of Love** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crimes of Love:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very interesting Von Ein Kunde This is better than the last book I read of Marquis de Sade's. However,...I have discovered that the other book was one of his worst but was still great. This book is about many sexual encounters that many

people have. It's just very interesting and highly recommended. Can't say more than that.

Kurzbeschreibung Senneval, you see in me your sister, the girl you seduced at Nancy, the woman who murdered your son, the wife of your own father and the ignoble creature who sent your mother to the gallows...' love but of its crimes? Murder, seduction, and incest are among the cruel rewards for selfless love in his stories; tragedy, despair, and death the inevitable outcome. Sade's villains will stop at nothing to satisfy their depraved passions, and they in turn suffer under the thrall of love. at his best. A skilled and artful storyteller, he is also an intellectual who asks questions about society, about ourselves, and about life, for which we have yet to find the answers. This new selection includes 'An Essay on Novels', Sade's penetrating survey of the novelist's art

Pressestimmen To brief stories of lewd monks, ruttish wives and cuckolds, he added longer and darker intrigues in the fashionable Gothic vein. Published as *Les Crimes de l'Amour*, they show off Sade's literary skills to good effect. They survive admirably in Margaret Crosland's excellent new translation of the five longer narratives.' - TLS 'The Crimes of Love is an atypical selection of work from a man whose example we cite as the prototype of sexual cruelty. Perhaps driven by remorse for having once "flagellated working-class women", Sade now becomes a champion (however tarnished) of the female cause, giving women the dominant roles in his fiction and always avenging their lost honour - rape and incest are crimes punishable by death. What is the moral of these delightful stories? Perhaps that even a sadist can feel sad.' - Financial Times 'Sadeologists should be fascinated.' - Daily Telegraph
