Die Geschichte an sich, nun ja, ist Geschmackssache. Ich bin normalerweise ein Fan von Geschwistern, aber hier hat etwas gefllt. Nichts desto trotz war es eine unterhaltsame Story. Leider lie sie mich mehr kalt, als alles andere.Mein Feedback: Ich hab es gelesen und das

war es. Das Geld hätte ich lieber dann doch für ein anderes ausgegeben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ok Von Kindle-Kunde There are better and there are worst stepbrother romance. This is in the middle. Storyline ok, characters ok, a little too much drama for my liking.

Kurzbeschreibung He was my protector. My savior. He would have done anything for me. Now he's a criminal, and he's taken everything. He's my stepbrother and I hate him. I'm homeless, jobless, desperate. And I had to come crawling back. To him. Bad enough my college money went to post his bail, now I have to work in the same, seedy bar he deals out of, too, just to get by? And listen to him with girl after girl, night after night, while he walks around all shirtless and sexy during the day? I'm going crazy--wanting him. I know I shouldn't. Maybe he was once my Prince Charming, but now he's just a big, tattooed, pierced, cocky jerk. Problem is, even though he cut contact with me two years ago, I couldn't turn off the feeling I had for him. He's back, and my feelings are back too. Now he's in trouble, with his gang, with the law. And me... I'm in trouble, too. This is a complete, standalone romantic suspense novel.
