KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. An enjoyable readVon LenaRibkaIt was an enjoyable read. Until the act III, scene 2.Gina appeared on the stage. With a gun.And the whole play turned completely upside down.I rolled my eyes definitely more than once.But not while Marc and Brendan talked DIRTY. NO NO NO!It was DELICIOUS!--If you don't mind reading an easy going sexy suspense novella---If you don't care that a fragile single mum can put the fear of God into a well build sexy

attorney---If you can afford from time to time to apply not too high standards of the dialogues---If you don't suffer a lot from a certain lack of rational logic in relationships in your books--You'll enjoy it.The dirty talk was the best in the book and I hope to see, hear, to READ more of it in the future.It is clear- I will read more of Darien Cox.

But while Marcello is willing to let Brendan into his bedroom, hes stubbornly elusive about his past and his family.
