Crimson Debt - New series by Evangeline AndersonVon AlexBI was really excited when I found out that there will be a new series written by Evangeline Anderson.Crimson Debt plays in setting where vampires, weres and witches exist. Addison works for an authority which tries to control and regulate the coexistence of vampires and humans. On the job she meets Corbin - a very irritating, but smoking hot vampire. Their constant bickering throughout the book led to a few funny situations.I really liked the idea, the book itself and all the characters, except Addison. Addison is a character that is a bit annoying to me. She behaves in a way that just rubs me the wrong way. This got better towards the end of the book, but I was really looking forward to reading the next book in the series.0 von 1 Kunden fanden die folgende Rezension hilfreich. fr Fans von Evangeline AndersonVon bookywer die Kindred Reihe kennt, wei was er erwarten kann. KurzbeschreibungThis is a plus length novel--95,000 words of Paranormal Erotic Romance by Evangeline Anderson who also writes The Brides of the Kindred series. Vampires, Werewolves, and Witches are characters of note. Also included are chapter 1 of Shadowed, Book 8 in the Brides of the Kindred and chapter 1 of Scarlet Heat, Book 2 in the Born to Darkness seriesAddison Godwin is a Non-Glamone of the one in ten thousand humans who is immune to vampire glamour and mind tricks. Her gift enables her to work as an Auditor, enforcing the law that vampires and humans keep their distance from each other except in a purely non-physical way. The law is necessary because when a vampire tries to have sex with a human their blood-lust combines with their sexual appetite and the result looks like road kill.Alec Corbin is a Four Star Master Vampire with piercing blue eyes and intentions to get Addison into his bed. He promises he can be gentle but Addison has seen way too many vamp/human crime scenes to go for that. She has no interest in the six foot four hunk of sexy vampire man candy, even if he is supernaturally hot.But just because she Audits (and sometimes executes) vampires for a living, doesnt mean she hates them all. Her best friend, Taylor, was turned against her will. Now, living as a slave to one of the crueler Master vamps in town, she leads a miserable existence and Addison is helpless to save her within the confines of the law.Things come to a head when the Vampire Inquisitor comes to town and Taylor is given to him as a sex slave. When Addison sees her best friend tortured, beaten, and burned with silver she knows she has to do somethingeven if it means teaming up with Corbin and paying the Crimson Debt.KurzbeschreibungThis is a plus length novel--95,000 words of Paranormal Erotic Romance by Evangeline Anderson who also writes The Brides of the Kindred series.
