decided to get a copy of this novel. It is not a surprise to me that a "novelisation" of the film 'Crimson Peak' is a novel that only repeats the conversations out of this very film, as some others already have criticised...But my thoughts on this book are completely positive. The author writes about typical Victorian subjects which came up in this exciting century: the industrialisation is subject (as in the film, of course), the development of the women's independency (motif of the New Woman/Girl), the pros and dangers of marriages based on financial grounds/love, and of course the horror, ghosts, magic. She fills in some thoughts of the protagonists as well, and that makes the reading experience more complete. This novel seems as it had been written in the 19th century, only with a few modern interpretations of today's world. In comparison there can be found some similarities to successes in literature of the 19th century, for example Charlotte Brontë's 'Jane Eyre', as the protagonist from that novel, the novelist Edith Cushing is an orphan who wants to marry only for love, feels herself drawn to an enigmatic man, and gets entangled into a web of her own phantasy and the mysteries that are surrounding her. Anybody can decide for him-/herself but I found this piece of literature quite enjoyable. 1 von 3 Kunden fanden die folgende Rezension hilfreich. Wonderful creepy! Von Filerimos I loved this "gothic romance" a lot and definitely have to see the movie, too! Crimson Peak is a story where you'll walk full force into the gray area. - You'll find true evil... but at once you'll also see behind. There is love. A lot of love.. but not necessarily the good kind of love. It's twisted and trapped. - You'll feel sorry and in another second you'll feel joy. This story is a beautiful/sad drama. Shakespeare would've loved it! 1 von 1 Kunden fanden die folgende Rezension hilfreich. der Wahnsinn Von Pam N Edith möchte Schriftstellerin werden und hat nicht viel übrig für Männer. Als Sir Thomas Sharpe im Büro ihrer Vaters auftaucht ändert sich ihre Meinung. Nachdem ihr Vater ums Leben kommt, heiraten beide und ziehen umgehend nach England auf seinen Landsitz. Dort wird sie von etwas heimgesucht, das sie seit ihrer Kindheit nicht mehr erlebt hat. Geister. Nachdem ich den Film gesehen hatte, musste ich das Buch unbedingt lesen. Auch wenn ich die Story durch den Film schon kannte, ist es natürlich etwas ganz anderes die Geschichte durch Worte nochmals zu erleben. Die Geschichte war packend von Anfang bis Ende. Die Emotionen wurden unglaublich gut dargestellt und dadurch wurde alles lebendig gemacht. Richtig genial fand ich die kurzen Segmente in denen die Geschichte aus der Perspektive des Hauses erzählt wird. Das gibt der Geistergeschichte noch das gewisse Etwas, denn im Vergleich zum Film gibt es weniger Erscheinungen der Geister. Die Charaktere sind sehr unterschiedlich. Lucille und Thomas sind dunkel und kühl, gefühllos. Edith und Alan hingegen sind lebensfroh und offen. Aber sie harmonieren gut miteinander. Edith und Alan haben mir im Buch auch um weiten besser gefallen als im Film. Edith war viel stärker und selbstbestimmter dargestellt.
