Von Robert Bevan : Critical Failures IV (Caverns and Creatures Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Critical Failures IV (Caverns and Creatures Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Accustomed style, with new elementsVon Torsten WillLots of pluses: The "special" style of this series is also in this book, only more extreme. There are also surprises and interesting plot twists which gives the story a new spin, also in the 4th book. I especially like the introduction of some new important characters: They are truly different from what

we already know and yet interesting and well designed.
