sequel. Von Detra Fitch For nine months everyone believed Jane Taylor was pregnant. She even went so far as to make herself look as though she had been gradually increasing. In fact, she wrote a book on about it, due to hit the stores in a few more months and the publisher was begging her for more! When Jane decides to come clean, she throws a New Year's Day party to gather everyone she knows and tell them all at once. Then let the chips fall where they may. Things get completed when Jane finds a black baby abandoned. Since Jane is white, this causes a stir. Jane is determined to adopt the infant that she names Emma. Her gay neighbors, David and Christopher, offer to babysit. Her family is in a tizzy. Her ex-fianc, who should know better (he's with Scotland Yard), and a few friends are determined to help Jane keep Emma so the baby would not end up in an uncaring foster home. Yes, it means bending the law a few times, if not totally breaking it. A caseworker from Social Services is watching her closely and interviewing everyone about Jane to see if she is mommy material. With Jane's well known shenanigans and slightly sociopathic behavior, there is no telling what everyone is saying! **** This is the fun and witty sequel to "The Thin Pink Line". The antics within these pages are on the border of outrageous! There are a few words or sayings that will make Americans raise an eyebrow, but they are easily understood due to the way they are used in the story, such as paying for things in "pounds" instead of "dollars". All-in-all, this book will have you giggling aloud and wondering what in the world could possibly happen next! **** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung "Even better than the first book!" BOOKLIST In the madcap sequel to the international hit comedy THE THIN PINK LINE, London editor Jane Taylor is at it again, only this time, there's a baby involved. Having SPOILER ALERT! found a baby on a church doorstep at the end of the previous book, Jane is forced to come clean with all the people in her world when it turns out that the baby is a different skin color than everyone had expected Jane's baby to be. As Jane fights to keep the baby, battling Social Services and taking on anyone who seeks to get in her path, what kind of mother will Jane prove to be? Only one thing's for certain: no matter how much kinder and gentler she is now, she is still and will always be crazy Jane. Kurzbeschreibung "Even better than the first book!" BOOKLIST In the madcap sequel to the international hit comedy THE THIN PINK LINE, London editor Jane Taylor is at it again, only this time, there's a baby involved. Having SPOILER ALERT! found a baby on a church doorstep at the end of the previous book, Jane is forced to come clean with all the people in her world when it turns out that the baby is a different skin color than everyone had expected Jane's baby to be. As Jane fights to keep the baby, battling Social Services and taking on anyone who seeks to get in her path, what kind of mother will Jane prove to be? Only one thing's for certain: no matter how much kinder and gentler she is now, she is still and will always be crazy Jane. Synopsis Jane Taylor sets out to adopt the black baby she found abandoned on Christmas Eve and finds herself in the uncharted waters of motherhood as she is faced with many changes and challenges, including racial identity.
