**Von Megan Keith : Crossroads (Finding My Way Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crossroads (Finding My Way Book 2) (English Edition):

Kurzbeschreibung Finding My Way, book two Nick is about to head overseas on an adventure of a lifetime. Its what he has always wanted, to travel the world, to experience new cultures, see the places hes dreamed of for so long. He should be over the moon. Instead, hes been in a slump ever since he lost his friend Em. Nick is a player, always has been. The first time he ever wanted more from a girl he was shot down. So now hes left licking his wounds. Emma made her choice and now Nick has to live with it. Or does he? When he finds out that Emma is single after all, will he fight for her? Will he be able to convince her to give him a chance? And if he does, what will happen when he leaves? Nick has reached a crossroads in his life - the girl or the dream. Seems like an easy choice when the girl of his dreams is Emma.
