Tale sex...an amazing book! Von Ein Kunde I picked this book up at the airport to have something to read and I couldn't put it down until I was done! The only problem was finding a place where I could read it ALONE. This is a wonderful collection of stories with interesting and intriguing plots and characters...and, yes, lots of sex. I thought that any one of these stories could've been expanded to a full length novel, the characters were so well drawn. I think that's what is lacking in a lot of erotica. The sex is so much hotter when you actually identify with the characters. This is one I will re-read often and I think my husband will reap the benefits!

Kurzbeschreibung Cruel Enchantment is a stunning collection of unique and breathtakingly beautiful erotic fairy tales. Winged demonesses, otherworldly lovers and a dragon with an enormous sexual appetite collide with spoiled princesses, spell-weavers and wicked ancestors in Janine Ashbless's fantastic tales of lust and magic. Seductive, dazzling and strange, with each story a journey into the marvellous realms of a fertile imagination, Cruel Enchantment is an erotic delight of a collection.
