Great second part Von Ela Smith Absolutely stunning, shocking, sexy as hell and very gruesome. I envy Annas fantasy, the combination of love and battle is... wow. The saying "Everything is allowed in war and love" gets perfectly explained in these books.

Kurzbeschreibung Battle-hardened soldier Cruz Ramos is running on empty. As second-in-command of the deadliest commando squad fighting the invading aliens, he doesn't know why he's fighting anymore. He's seen too much destruction, devastation, and far too much death. Still, every day he goes out to protect those humans left, and every day the growing numbness threatens to take over. Until a mysterious woman emerges from the ruins of destroyed Sydney and saves him from a pack of rampaging aliens. Santha Kade has one goal: revenge. The raptors who have devastated the Earth have taken everything from her: her team, her home, her beloved sister. Santha--a former police officer--has spent a year alone in the ruined city, waging her own guerrilla war. Sure, she might get lonely sometimes, but she doesn't have room for anything but vengeance. Not even for a sexy soldier with liquid brown eyes, a bone-melting accent, and a face designed to drive a woman wild. But as Cruz and Santha join forces to rescue human hostages from the aliens, their explosive attraction is impossible to resist. Can these two warriors survive long enough to find something worth living for? **Note to readers:** This sci fi romance contains a lot of action (think invading aliens, explosions and gunfights), tough warriors (the sexy, battle-hardened soldiers of Hell Squad) and a steamy romance (lots of sexy times between a warrior woman and a sexy soldier). So if you like it fast, and gritty, and sexy, this is for you! **Includes preview of Book 3 of the Hell Squad, Gabe.**
Q A with the Author
Q - How would you describe the Hell Squad series?
A - Tough, alpha soldiers battling invading aliens. Hell Squad is science fiction romance with a dose of post-apocalyptic grit and a serve of military romance. There is lots of action, adventure and romance. But even in the middle of a fight for survival, the series is focused on hope, friends, family and love. Hell Squad has been one of my bestselling series and I'm thrilled the Hell Squad gang have so many fans.
Q - Why did you want to write the series?
A - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. I also wanted to write something that was a little darker and grittier than my more adventure-filled series, the Phoenix Adventures. Then I had this image of a former society party girl wearing fatigues squaring off with a scarred, battle-hardened soldier and Hell Squad was born. I'd intended it to be a single story...but the Hell Squad soldiers had other ideas and literally came to life as I wrote the first book!
Q - What order should I read the books in?
A - All the Hell Squad books have stand-alone romances in them but the action arc of the invading aliens grows with each book. Many readers have entered the series with later books and they haven't been lost, but, characters from the early stories do appear in later books and I really think it adds something to the reading experience to read them in order. Here's the order I suggest:- Marcus- Cruz- Gabe- Reed- Roth- Noah- Shaw- Holmes- Niko- Finn- Devlin- Theron- Hemi- Ash
