**Von Moira Rogers : Cry Sanctuary (Red Rock Pass #1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cry Sanctuary (Red Rock Pass #1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good plot, good storytelling, and very likeable protagonistsVon Hoener, BirgitSanctuary, led by the alphas Gavin and Sam, welcomes all refugee werewolves who are suffering at other packs through cruel alphas. Abby, newly turned

werewolf, flees with the help of a friend and lands at Sanctuary. Keith, a war-tired warrior, would love to be her guide through the first months of initiation, but does Abby trust him? Their relationship is tested when her former alpha tries to get her back...Slightly different in contents and "lore" about werewolves than other shifter/werewolf stories I have read, the actual plot - fighting between good and "bad" werewolves - still is the main part of the storyline, and told very well as such. The tension between Keith and Abby, the danger posed by the other bad alpha, will give the reader a couple of hours of pure reading pleasure and make him/her crave for more. Good thing this is a series then ....0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gut! Von CA Abenteuer um eine Stadt, die für Werwölfe und andere brennende Wesen zur Zufluchtsstätte wird. Mit viel Liebe geschrieben. Ich habe alle vier Bücher dieser Serie verschlungen. Das Autorenduo hat viel Gefühl, aber auch jede Menge Spannung in diese Reihe gesteckt. Hiervon hätte ich gerne noch mehr!

Kurzbeschreibung Red Rock Pass, Book One Keith Winston is a soldier who's tired of fighting. His pack needs him, so he's come home to Red Rock, Montana in hopes of finding a bit of peace. Instead, he's sent on a rescue mission, where he finds one delicious complication--Abigail Adler, a new wolf on the run from a corrupt alpha. Abby feels an instant, primal connection to Keith, one that could become very real--and literal--when he offers to bond with her. Though she's grateful for the sanctuary she's found in Red Rock, she can barely wrap her head around what it means to be a werewolf. She's in no position to take a mate--but the dangerous passion Keith stirs in her won't be denied. Then her tormentor kidnaps her sister in an attempt to lure her out of hiding. To save her, Abby and Keith must be willing to do the very thing that could tear them apart forever--break all of the rules.
