Von V.C. Andrews : Crystal (Orphans Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Crystal (Orphans Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Crystal Von Keri Crystl is the second book of 5 in the miniseries called THE ORPHANS. It is about a 15 year old girl who get adopted by a nice couple named Carl and Thelma. Carl is wrapped up in saving money and Thelma is wrapped up in soap operas. She is having a great life she has friends and a nice home. Her grandparents are wonderful. But soon her only grandmam would die and she would be left with two grandfathers. But that would all end very soon. About a month later Carl and Thelma had to go and sign some papers to put one of her grandfathers in a retiring home. Crystal was at her friends house. Her friends mother got a call and asked Crystal to go get her uncles number. Crystal had a bad feeling and her feelings were right Crystals parents had both died in a car accident. Crystal could not stay because her uncles didn't have enough money and her grandfather's were to disabled and soon Crystal would be back in the system and she would soon meet one of her three best friends named Janet (butterfly).

0 von 0 Kunden fanden die folgende Rezension hilfreich. much better than butterfly, but had tons of room to improve Von Ein Kunde This book, Crystal, is the second book in the Orphans Miniseries, a series much like the green mile by Stephen King, a collection of mini novels that equal one, and then a full novel at the end. I must say that I was very disappointed with butterfly, but crystal was a nice surprise. it was a very quick read, and it was a little more interesting than the balerina stuff in butterfly that reminded me so much of Cathy and Julian in Petals on the Wind. Crystal and Bernie reminded me of Heaven and Troy a little, but it wasn't as obvious in this book, and I was surprised at the ending. Even though these books can never compare with the real V. C. Andrews novels, they're still good and I'm glad that they come out and I hope they continue to come out for years to come. (I just hope that the books go back on a mature level after this series, I feel like I'm reading and R. L. Stine book sometimes with these mini novels)~Tom Nordlum

END 0 von 0 Kunden fanden die folgende Rezension hilfreich. Intriguing Von Ein Kunde I think "Crystal" was a short but wonderful novel. Crystal was incredibly smart, but had the attitude of an average teenager. She wanted what every orphan wished for: a loving family, happiness, and freedom. Then Karl and Thelma Morris came into her life. Even with an overly organized father, and a mother caught up in her imaginary life of books and soap operas, Crystal's life finally begins to even out. I love how the plot unfolds and the story ends with a shocking conclusion. Though I have read better V.C. Andrews books, this one was well worth my time. I encourage teenagers and young adults to read it, as well as the other books in the V.C. Andrews Orphan miniseries.

Kurzbeschreibung ALL SHE WANTED WAS A FAMILY SHE COULD CALL HER OWN....As an orphan girl, Crystal was one of many -- and utterly alone. But she still dreamed of a shining life of love and happiness, and freedom from the dark legacy of her past...Kurzbeschreibung ALL SHE WANTED WAS A FAMILY SHE COULD CALL HER OWN....As an orphan girl, Crystal was one of many -- and utterly alone. But she still dreamed of a shining life of love and happiness, and freedom from the dark legacy of her past...Synopsis Follows the struggles of an orphan girl to realize her dreams of a life of love and happiness, away from the shadows of her dark past.
