Von Jeff Mariotte : CSI: Crime Scene Investigation: Blood Quantum (CSI: Crime Scene Investigation (Paperback)) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and

all praised CSI: Crime Scene Investigation: Blood Quantum (CSI: Crime Scene Investigation (Paperback)) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Spannung purVon C. ScharfEcht Spannend und schtig machendes Buch. Besser als Fern zu sehen! Hatte am Anfang Angst, dass es zu schwer in Englisch zu lesen wre, aber berhaupt kein Problem. Werde bei weiteren Bchern zuschlagen.1 von 1 Kunden fanden die folgende Rezension hilfreich. super spannendVon ILdSSuper spannend und klasse geschrieben.Endlich mal wieder mehr auf die wissenschaftliche Seite hin ausgelegt!Nur zu empfehlen!0 von 0 Kunden fanden die folgende Rezension hilfreich. Like I expected but a bit betterVon sotolFI really enjoyed this book a lot and it's helping me getting back into reading. I liked it and I think I'll be reading more csi books after it as well.

KurzbeschreibungThe Las Vegas team of investigators has its hands full following a free-spending night at an exclusive nightclub which leaves the chairman of the Cloud Mountain Paiute Tribe dead. Already surrounded by controversy, the victim had a message scrawled in his own blood at the scene that would indicate a crime of revengeand members of the chairmans inner circle arent talking, which leads to a vicious cycle of violence and murder....?KurzbeschreibungThe Las Vegas team of investigators has its hands full following a free-spending night at an exclusive nightclub which leaves the chairman of the Cloud Mountain Paiute Tribe dead. Already surrounded by controversy, the victim had a message scrawled in his own blood at the scene that would indicate a crime of revengeand members of the chairmans inner circle arent talking, which leads to a vicious cycle of violence and murder....?ber den Autor und weitere MitwirkendeJeff Mariotte is the author of more than forty-five novels, including the supernatural thrillers Season of the Wolf, River Runs Red, Missing White Girl, and Cold Black Hearts; the thriller The Devils Bait, the horror epic The Slab, the Dark Vengeance teen horror quartet, and others, as well as dozens of comic books, notably Desperadoes and Zombie Cop. He has written books, stories, and comics set in beloved fictional universes, including those of Buffy the Vampire Slayer and Angel, CSI and CSI: Miami, The Shield, Criminal Minds, Conan, Superman, Spider-Man, Hellraiser, and many more, and is a two-time winner of the Scribe Award presented by the International Association of Media Tie-inWriters. Hes a co-owner of the specialty bookstore Mysterious Galaxy in San Diego, and lives in southeastern Arizona on the Flying M Ranch.
