KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. das war sVon E.T.Kein schwules happy-end. Aber eine knuddel-wuschel Geschichte, die man gerne liest und die ich auch

gerne mal wieder lesen werde.

Kurzbeschreibung "I have a cuddle buddy. My cuddle buddy is straight. So am I. We don't have sex. And we don't intend to. Nevertheless, we sleep curled up in each other's arms every chance we get. Our girlfriends don't know that we do this. It's simpler that way. Women love to feel protected. But they aren't so crazy about discovering that sometimes, even the toughest protector needs a little protection himself. That's where my cuddle buddy comes in..." So begins an offbeat, hilarious tale that only Nate Tanner could write: the story of two young men whose intense, confusing friendship soon becomes "a love too gay to be straight, yet too straight to be gay." When one guy decides to push things too far, can their special bond hold up under the strain? This category-shattering 10,000-word m/m romance contains brief adult content and is not suitable for those under 18.
