Von Ed James : Cullen Year One (Detective Scott Cullen Mysteries 1-4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cullen Year One (Detective Scott Cullen Mysteries 1-4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
Absolutely brilliantVon M. SeymourRecently discovered Ed James' DC Scott Cullen and have devoured them all since downloading them onto my Kindle.They are brilliant. Set in Edinburgh la Rebus and with characterisation worthy of Stuart Macbride and Peter Robinson.Pity he hasn't been snapped up by an old-school (i.e., paper) publisher as I want some of my family to read 'em but they don't 'do' ebooks sadly.Just wait till someone snaps up the TV rights -- the shows'll be brilliant.0 von 0 Kunden fanden die folgende Rezension hilfreich. excellentVon orbit60highly addictive, fast-paced read. This edition comprises books 1-4. Just finished the last page of No. 4 and now I'm checking for follow up books featuring DC Scott Cullen. A Must Have!1 von 2 Kunden fanden die folgende Rezension hilfreich.
Absolutley gorgeousVon Celtic-IvyRead this, and you can't stop anymore. Great stories, great characters (even Bain ;-)). I've already bought me five books of this series, and never regretted it. What else is there to say? Keep going.

KurzbeschreibungClassic Scottish noir: bad food, bad moods, too much booze and tight plots @ey0k1, Twitter For fans of Ian Rankin, Stuart McBride and Christopher Brookmyre, CULLEN: YEAR ONE comprises the first four novels that featuring ambitious maverick Detective Constable Scott Cullen, whose series has set the bestseller charts alight. GHOST IN THE MACHINEWith a messy divorce behind her, Caroline Adamsons future is finally looking up. But after her mutilated body is found, police think Carolines ex-husband is the main suspect. When one murder becomes three, Edinburgh faces up to the fact that it might have a serial killer in its midst. Then DC Scott Cullen of Lothian and Borders CID starts to question his superiors. Could the answer lie with Schoolbook, the latest social media craze to hit the city? Cullen has only been in the job for three months but hes determined to prove himself, and equally as determined that the right person faces justice. As things take an even darker, personal turn, Cullen realises that he must look closer to home for the answer before its too late. A gritty, gripping and wholly satisfying modern crime novel, Ghost in the Machine asks the questions we dont like to ask ourselves. Are we ever safe online, and how do we know who to trust? DEVIL IN THE DETAILStill reeling from the death of a colleague on his watch, DC Scott Cullen finds himself caught in the cross-fire of competitive police politics when the body of Mandy Gibson, a young disabled girl, turns up in the affluent East Lothian town of Garleton. The heartbroken parents dont hesitate to point the finger of suspicion at young Jamie Cook, a tearaway teen with a long history of run-ins with the police. But where is he now? When the victims and the suspects families are revealed to belong to an offshoot group of the Catholic Church run by an excommunicated priest, Cullen quickly realises that the key to catching the killer is finding out the darkest secrets of this close-knit community, one family at a time. From bestselling author Ed James, Devil in the Detail is a tightly woven, gripping crime novel set in a middle-class town that isnt nearly as wholesome as it looks. FIRE IN THE BLOODCullen mesmerises again Another amazing entry into the Cullen saga Jack McKnight, five-star reviewDC Scott Cullen is disillusioned with the force and his insufferable boss, DI Bain, not least because he keeps being overlooked for a promotion. That is until he finds himself investigating not one but two decades-old cases when the mangled and unidentifiable body of a man is found in a barrel of aged Dunder Distillery whisky. The plot thickens when it is discovered that two men working at the distillery went missing within weeks of each other around the same time the barrel was filled nearly twenty years ago. As Cullen steps back in time to work out what happened, he finds himself steeped in twisted tales of family loyalties, lies and professional rivalries. But before Cullen can work out who the killer is, he needs to know whose body is in the barrel... DYED IN THE WOOLDC Scott Cullen likes to play hard and fast with the rules and while it might antagonise his colleagues and superiors it gets results. But resistance to his cowboy attitude, coupled with fears about a forthcoming police restructure, mean that things arent looking good for the maverick cop, especially when his personal life begins to crumble. Then the body of a young man turns up in a totalled car in West Lothian. It looks like a straightforward case until that seemingly accidental death turns into two undeniable murders and Cullen gets caught in the risky crossfire of several different investigations. When the case shines a light on the murky underworld of football hooliganism, things become unexpectedly too personal for comfort. Can Cullen work out whats going on, or were his colleagues right about him all along?KurzbeschreibungClassic Scottish noir: bad food, bad moods, too much booze and tight plots @ey0k1, Twitter For fans of Ian Rankin, Stuart McBride and Christopher Brookmyre, CULLEN: YEAR ONE comprises the first four novels that featuring ambitious maverick Detective Constable Scott Cullen, whose series has set the bestseller charts alight.
