Michelle has spun her wheels with this trilogy tale of a realm of magic and mishaps. Cupid is a mischievous troll with an ax to grind whoever crosses his path. The Lycan people of

the magic realm have pissed Cupid off! Ilar the Commander of the Lycan Guard is Cupid's target and not in a good way. Lady Rhiannon is a beautiful chaste woman; her only fault is that she has all the looks and her sister has none. Lady Rhiannon's father is trying to marry off her sister. All the noble knights want Rhiannon. He hides her away in a tower in hopes that one of the men would take his other daughter's hand in marriage. Cupid has other plans. Kidnapping Rhiannon and sending her to the land of the Lycans is a big mistake but Cupid does not care. With this move he also casts a spell on her to entice, and enhance her sexuality. After she awakes in the strange land, noticing that she is covered in mud clean water is all she wants. Walking to the running river near she starts to wash. In a heartbeat large beasts rain down on her and start fighting over her. Not knowing what is happening she runs straight into the loving arms of Ilar. These two sweethearts have some very hot passion! The only way to fend off the other Lycan is to mark/mate! WOW Talk about getting down to business, loved it. This was a fantastic magical journey into the twisted tale of Cupid and his antics. I loved the storyline and found the characters well developed.

Kurzbeschreibung Contrary to popular belief, Cupid is not a cute little cherub. And he'll take revenge on any who say differently. Just ask Ilar, Commander of the Lycaon guard Lady Rhiannon's beauty is distracting suitors from her older sister and ruining her chances at marriage, so her father has her locked away in a tower. Believing she is going crazy from the isolation, Rhiannon hears a frightful voice. The next thing she knows, she's woken up in a strange forest pursued by mythical wolf men. And, worst of all, their leader is taking her home with him. Ilar is irritated to discover an enchanted female human, their ancient hunters disrupting his Lycan Guards. One sniff of this mortal's enchantment and the men go insane, trying to kill each other for her hand. Only in making her his lover can the spell be broken. Ilar has no choice but to claim the female for his own. But who knows what will happen when Cupid's Enchantment is broken.
