Explosive - my favourite bookVon S. BernersMy favourite book of the series so far. Cassie has a certain talent to get herself in pretty absurd situations and it's so much fun to read! I like her sarcasm and love the characters in the book (the three D's for example are amazing). It's very exciting and I so didn't expect THAT! I'm still a fan of Devil dog,

Same as usual Von Skywalkerin Das neueste Buch der Cassie Palmer Reihe bleibt nicht hinter seinen Vorgängern zurück. In einem Zeitraum von wenigen Tagen - so wie das ja immer der Fall ist - passieren ihr so viele irrwitzige Dinge, dass ich gar nicht anfangen werde sie alle aufzuzählen. Nur soviel, sie schafft es mal wieder, ihren Körper mit Pritkin zu tauschen:-) Ja, Pritkin ist wieder mit von der Partie und weicht ihr kaum von der Seite. Die Handlung des Buch scheint parallel mit der Geschichte von Mirceas Tochter zu laufen, deshalb bekommen wir ihn nicht so oft zu Gesicht, wie wir es vielleicht gerne hätten. Hoffnung kann uns da nur geben, dass Cassie ihm klar macht, dass er sie geflüchtet umwerben soll, wie sich das gehört - leider erst am Ende des Buches, wir dürfen also gespannt sein. Ansonsten, wie es meine Überschrift schon sagt, alles bleibt beim alten. Cassie springt in der Zeit umher und entwischt ständig Mirceas Aufpassern und außerdem sind immer noch viele verschiedenen Parteien hinter ihr her. Unter anderem Apollo, der während ist, dass sie nicht tut was er möchte. Aber das tut Cassie ja eigentlich sowieso bei niemandem. Wem die anderen Bücher gefallen haben, der wird auch dieses mögen. Cassie und Mircea kommen sich näher und es gibt einige "explosive" (das Wort beschreibt dieses Buch ziemlich gut) Entwicklungen. Viel Spaß beim Lesen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Whirlwind of Action Von Monika Simon The fourth instalment of Karen Chance's Cassie Palmer novels continues the adventures of the new pythia and her supernatural friends. Once more our heroine is thrown into a wild ride of high adventure, fast action and hair-raising brushes with death. Cassie continues to struggle with her new powers and the complications of her romantic life. "Curse the Dawn" is fairly typical for an urban fantasy novel: a feisty heroine, vampires, werewolves, demons and other mythical folk, all thrown together in a whirlwind of action with some romance and a good dollop of humour. The book delivers what the friend of the genre expects. The series is definitely among the more entertaining ones and continues strongly. I have to admit that while I enjoyed reading the book I also got a bit tired of the fact that it is all so predictable. Not the details perhaps, but the general tone, the overall structure of the story and its outcome. A little less whirlwind action and a bit more, well, character development or exploration of the world would, in my opinion, not go amiss. In the end, this is a highly entertaining urban fantasy novel and can be recommended to fans of the genre.

Kurzbeschreibung Cassie Palmer, the world's chief clairvoyant, just can't seem to stay away from trouble. After trying to come to an agreement with the Silver Circle - the magical organisation that's been trying to kill her for years - she finds herself kidnapped by one of its members and swept away in the ley line system, a series of magical currents that occupies the space between worlds. Cassie manages to escape but, fearing for her safety, she decides to invest in a magical device for protection. However, all she can afford is a statue that grants wishes . . . But what Cassie doesn't realize is that the statue doesn't always grant wishes the way the wisher would like. And when she wishes for the strength to shift herself and companion Pritkin away from a dangerous fight, the statue grants the wish by switching her into Pritkin's body and him into hers. And that's when the real trouble starts . . . Pressestimmen You definitely need to check out this series. Literary Escapism A really exciting book with great pacing and a huge cast of vivid characters.
