Von David A. Wells : Cursed Bones (Sovereign of the Seven Isles Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cursed Bones (Sovereign of the Seven Isles Book 5) (English Edition):

author has run out of ideas, nothing really happens until the last few pages. Alexander just solves all problems with his magic, however, the plot had the chance that the other characters could develop independently.
