I really start every new book by Nicholas Bella without having any expectations, because he outdoes them with every single word. Every time!! Just like in "Mischief". I really couldn't put it down till I finished it to the last sentence and then I needed a long and ice cold shower. Adriel watching Brian and Raphael, and Brian finally... no, nope, I won't say anything. You have to read it yourself.I love this series just as much as Nicholas' other series. Those mixture of sexy demons and the thrilling atmosphere around, awesome. Just awesome. Can't wait to read on!!0 von 0 Kunden fanden die folgende Rezension hilfreich. I freaking love those series!!!!Von witchflameThank you Master Nicholas for another amazing book in the demon gates series... it is sooo hot. I need more and more... but guess what? Hijinks is already waiting for me on my kindle.... waiting till I finish work tomorrow to get deep into the story about Brian and his attempt to save the world!

Kurzbeschreibung"Holy crap, I learned today, that you don't piss off Adriel!" Having located a mutilated corpse of a young man in a dumpster, I realize how serious the demon problem is. The markings on the body are the same as the markings on the other dead bodies that I was told about. That means one thing, I have to check out this club and the sooner the better. If that doesn't keep my plate full, I still have to deal with demon bad boy King, Adriel and Raphael, my pain-in-the-butt mate, both want to control my life, or rather sex life, at least. First things first, find out who's killing people in my city. Warning: This serial contains strong adult content not meant for sensitive eyes, so don't expect any roses or chocolates or touchy-feelies. The novelettes in this serial will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. These demons play hard and they fight dirty. There are approximately 30100 words in this novelette.Kurzbeschreibung"Holy crap, I learned today, that you don't piss off Adriel!"
