Unerwartet, ungewhnlich und unbedingt lesenswert!!!Von ullaJake hat ein Problem, dass allerdings Tom erst auf ihn aufmerksam macht. Der toughe Restaurantbesitzer ist sofort fasziniert von dem ungewhnlichen jungen Mann und holt ihn in sein. Bett. Er wrde ihn auch sofort in sein Leben lassen, allerdings nur mit Einverstndnis von Cass, mit dem er eine offene Beziehung fhrt.Cass reagiert gelassen und scheint nicht abgeneigt. Jake dagegen kann sich eine

Partnerschaft zu dritt nicht vorstellen. Sind die drei Misfits, also nicht zusammenpassende Teile? Oder passen die drei Auenseiter (= eine weitere mögliche Bedeutung des Titels) etwa doch ausgezeichnet zusammen? Misfits von Garrett Leigh ist der erste Teil der Serie um die Urban Soul Company, die Cass und Tom gemeinsam geht und in die sie eine Menge Arbeit stecken. Ihr Ziel ist es, gutes und möglichst biologisches Essen in angesagten Restaurants zu verkaufen, von denen jedes einen ganz eigenen Charakter hat. So individuell und interessant wie die einzelnen Locations sind auch die Charaktere, die Garrett Leigh präsentiert. Die Jungs sind heiß! Sie sind aber auch richtig sympathisch und haben genug Ecken und Kanten, um echt zu wirken. Es macht nicht nur unglaublich viel Spaß, mitzuerleben, wie sie sich einander annähern, sondern es ist auch richtig spannend. Man kann gut nachvollziehen, wie Tom und Cass zu ihrem ungewöhnlichen Lebensstil gekommen sind, nicht zuletzt weil man sie zusammen mit Jake immer besser kennenlernt. Und der hat die gleichen Fragen und Zweifel, die jeder Mensch am Anfang von etwas empfindet, dass eben nicht der Norm entspricht. Die Geschichte lebt aber nicht nur von ihren Charakteren. Auch als Leser spürt man den Pulsschlag der Millionenmetropole London mit all ihren bunten Facetten. Tom, Cass und Jake verkörpern ein wenig die völlig unterschiedlichen Menschen, die dort ihr Zuhause finden. Toll ist, dass sie zwar für eine Gruppe stehen, aber nicht zum Abziehbild verkommen. Jeder der drei hat sein eigenes Schicksal, das ihn aus der Masse heraushebt und für den Leser unvergesslich macht. Fazit: Misfits wartet mit einer überraschend anderen Storyline, interessanten Wendungen und richtig tollen Charakteren auf. Hier stimmt einfach alles. Emotionen und Erotik halten sich die Waage. Die Geschichte konzentriert sich auf die drei Jungs, ohne dabei zum Kammerstück zu werden, dafür sorgen die lebendigen Nebencharaktere. Unbedingt lesen!!! Von mir gibt es jedenfalls mehr als 5 Punkte und eine kleine Suchtwarnung 1 von 1 Kunden fanden die folgende Rezension hilfreich. Beautiful story and compelling characters!! Love it! Von From Top to Bottom Reviews I have to start this review by saying: I LOVE THIS BOOK! Like always Garrett Leigh had me captivated from the very first chapter. There's just something about her writing which pulls you into the story from the first page. It was like that with Slide, Only Love and all the other books she's written so far. Since I got my copy 3 weeks before the release (because sent it early) I'll try not to give anything away/spoil anything. I found out of all three protagonists Jake was probably the most compelling character. There was just something about him that made him really special to me. Probably also because there wasn't a single second I felt like I was reading about a "made up" person. Garrett managed it again to make her characters come alive. I love how her storytelling always just grabs you and makes it possible for the reader to get lost in her stories. It might be Garrett's best book yet, although they're all really special. You just know that when you pick up a book by Ms. Leigh it's worth the money and you're in for a ride. Again, just like in her previous books, Garrett proves that she knows exactly how to "torture" her readers without it ever getting to be too much. I loved Jake's relationship to Cass and also the relationship to Tom. It was great to see the relationship between Cass and Jake slowly develop and grow, while his relationship to Tom was a bit more instant and developed faster. Although while developing faster it wasn't rushed and never felt to be going too fast. The pacing was just right. And at the end there's absolutely no doubt that each of the guys loves the other two. I couldn't put Misfits down and absolutely recommend it to everyone. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is fantastic Von Felizengrossing, poignant, riveting, enthralling... See? Running out of words here. Just this: Read it, people. It's SO worth it. A beautiful threesome that just happens, almost organically. Nothing's overexplained, it just IS, and that's beautiful.

Kurzbeschreibung Restaurant owner Tom Fearnese has loved his partner Cass for as long as he can remember, but their work often keeps them apart. When he meets a striking young man named Jake on the vibrant streets of Camden Town, their heady first encounter takes an unexpected turn. Jake Thompson can hardly believe his luck when he wakes up in Tom's bed. Tom is gorgeous, kind, and . . . taken. Tom's explanation of his open relationship leaves Jake cold, but Tom is too tempting, and when hard times force Jake to accept Tom's helping hand, he finds himself between two men who've lost their way. Cass Pearson is a troubled soul. He loves Tom with all he has, but some days it feels like he has nothing much to give. Jake seems like the perfect solution. Cass risks everything to push Jake and Tom together, but Jake resists, wary, until the darkness of Cass's past comes to call. Then Jake finds himself the last man standing, and it's time to dig deep and shine a light for the men he's grown to love. Word count: 70,200; page count: 277. Pressestimmen Finalist: Best Gay Romance in the 28th Annual Lambda Literary Awards "Leigh doesn't shy away from the idea of the titular misfits. Cass has an arrest record a mile long, and Jake battles Tourette's syndrome, which Leigh depicts with tremendous respect and humor." -- Booklist "There are numerous tastefully erotic passages, but the book is more smart than smutty." -- Publishers Weekly "This bittersweet love story opens an emotional fountain of want and need that overflows as Leigh builds an unconventional love story that defies the odds." -- Heroes And Heartbreakers Kurzbeschreibung Restaurant owner Tom Fearnese has loved his partner Cass for as long as he can remember, but their work often keeps them apart.
