Von D E Stevenson : Miss Buncle Married (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Miss Buncle Married (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. witty and entertaining read. D.E. Stevenson is a mix of Wodehouse and BensonVon BeeHaving just read the second Miss Buncle book, I can't wait to read more of D.E. Stevenson's books. The authoress obviously inherited her famous uncle's talent for writing. The books read like a mix of Wodehouse and Benson, they are a cozy read, light and witty, and yet have quality! The characters of the very life-like protagonists have been drawn with great skill and have depth. They show great insight into the workings of the human mind. It's a pity the authoress (whose books sold about 7 million times) was forgotten for a long time.5 von 5 Kunden fanden die folgende Rezension hilfreich. Reizend

amsantVon Micha PoloDas Buch lsst einen eintauchen in dieses typische altenglische Flair der Zeit zwischen den beiden Weltkriegen - in eine kleine, urige, entspannte Welt. Dorothy Stevenson befliegt sich einer schnen Sprache, die sich gut liest - genau richtig zum Flssigbleiben im Englischen.7 von 7 Kunden fanden die folgende Rezension hilfreich. Eine gelungene FortsetzungVon sigrunTNachdem Miss Buncler ihr Buch verffentlich hat und sich -um jemand anderen zu schtzen- auch noch selbst enttarnt hat, verlsst sie ihr Dorf, heiratet und beginnt an einem anderen Ort ein ganz neues Leben. Auch mit diesem Buch, das man aber unbedingt auch erst als zweites lesen sollte, hat die Autorin wieder ein sehr heiteres, aber przise gezeichnetes Bild des Lebens in einem englischen Dorf zwischen den beiden Weltkriegen gezeichnet. Ein solches Buch zu lesen, macht einfach Spa und kann nur jedem empfohlen werden. Welch ein Glck, dass die so lange vllig vergessene Autorin "wiederentdeckt" worden ist. Die Zeit, die man mit diesem Buch verbringt, ist einfach eine glckliche Zeit.

KurzbeschreibungMiss Buncler's Book, Persephone Book No. 81, is about a woman who writes a novel about Silverstream, the village where she lives, under the pseudonym John Smith, and is then involved in the comedy as her neighbours try to discover the identity of the viper in their midst. Eventually she is forced to leave, and having married her publisher Arthur Abbott, moves to his house in Hampstead. The Abbotts then move out of London, which is when Miss Buncler Married, begins. Early on Arthur thinks: But I really hope, in a way, that [Barbara] wont want to write ... because this place is delightful simply charming and if she starts writing about our neighbours, we shall most probably have to leave Wandlebury just as she had to leave Silverstream in a hurry.Pressestimmen"It was nice to watch Barbara continue to grow and mature. The fact that she finally has some people in her life who acknowledge it and appreciate it is icing on the cake. " - Dear Author"These books written by Stevenson are easy comfort reads that had me smiling the whole way through. " - The Book Garden"This book was a lot of fun" - Shelf LoveKurzbeschreibungMiss Buncler's Book, Persephone Book No. 81, is about a woman who writes a novel about Silverstream, the village where she lives, under the pseudonym John Smith, and is then involved in the comedy as her neighbours try to discover the identity of the viper in their midst.
