Von Sheri Cobb South : Miss Darby's Duenna (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Miss Darby's Duenna (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Traditional with a well done twistVon Kimberly BorrowdaleMiss Olivia Darby has been friends with Sir Harry Hawthorne her whole life, and it's no surprise when he proposes marriage. However, Miss Darby's mama has decided that Miss Darby should have her London Season, whether she is betrothed or not. When Harry's sister, Georgina, also receives a marriage proposal, it is decided that the two young ladies will both be brought out in London by Mrs. Darby.Harry has always enjoyed the pleasures of London, but he is taken aback when Miss Darby quickly gathers many admirers. When an idea comes to him for the perfect way to keep a watchful eye on his would-be fiancée, he impulsively implements it... not realizing, of course, how complicated it could get and all the things that could go

wrong. MISS DARBY'S DUENNA is a comedy of errors and manners with a leisurely pace (especially at first) and a traditional feel and tone--except of course for Harry's plan, which Ms. South pulls off very well. It took me quite some time to get to know the characters and really warm up to them, and the novel as a whole falls short of the magnificence of Ms. South's first regency, THE WEAVER TAKES A WIFE. Nevertheless this second offering is an enjoyable read from a fresh new voice in the subgenre, and I look forward to more from Sheri Cobb South and Prinny World Press. Kimberly Borrowdale Under the Covers Book Reviews 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet and rollicking traditional Regency romance Von Jo Manning A charming story, exceedingly well-told, with memorable and funny characters, set in Regency London. Harry Hawthorne, the feckless hero, has much to learn about women, and learn he does, albeit most reluctantly, with the rakish Lord Mannerly as teacher. Mannerly, bearing a huge (and ultimately trivial, even silly) grudge against Harry, decides he will despoil Harry's fiancée, Olivia Darby. Miss Darby, feeling neglected by Harry (and not realizing at first that Harry is masquerading as his own grandmother in order to keep an eye on and to chaperone Olivia!), is about to fall prey to the rake's intentions, but the day is saved just in the nick of time, before reputations and lives are foolishly destroyed. A lovely story, with a true Regency feel and flavor, harkening back to the popular Georgette Heyer novels that were once the standard for the genre. Suitable for young adult as well as adult readers. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Almost too silly for words Von Ein Kunde When the nasty OTT villain is the most interesting character in a Regency romance, you know the book is in trouble. The hero can think of nothing but himself and his masculine pastimes, nevertheless the heroine has loved him since childhood. They decide to marry, but first she wants a 'Season' in London. Then the ridiculous begins, with the hero dressing up as his own grandmother in order to provide the heroine and his own sister with a chaperone. Oh, groan upon groan. Well, perhaps I'm not being entirely fair, for there are some funny moments, but the plot is so shot through with holes that it's infuriating. The ending is even more preposterous than anything that went before, and that's saying something. I'm afraid that even though the villain is fairly interesting, his motives and machinations are thoroughly distasteful, and leave a very queasy feeling. Not a book I would recommend to anyone.

Kurzbeschreibung Sir Harry Hawthorne thought he was making a marriage of convenience to a childhood friend until his fiancée captures the fancy of the dashing and dangerous Lord Mannerly. Suddenly Sir Harry's jealousy is roused to the point that he assumes the identity of his reclusive grandmother in order to keep the all-too-grown-up Miss Olivia Darby under his watchful eye. Regency Romance by Sheri Cobb South; originally published by Prinny World Press
