Unputdownable! Von Detra Fitch In two previous titles, "Material Girl" and "Beauty Queen", we read the stories of Rebecca and Robin Lear. Now it is time for the youngest sister's story. Rachel Lear lives in Providence, R.I. is the youngest of Aaron Lear, multi billionaire. Aaron has told all three of his daughters that he is going to cut them off unless they make their own way. Bonnie, Aaron's ex-wife, has Aaron going to marriage counseling by "Daniel the Jerk". Aaron hates it, but will do anything to win Bonnie back and smooth out the mess he has made with his daughters. Rachel is the only one left for Aaron to worry about. And she is the one he has hurt worst of all. Rachel is too soft hearted. She teaches weaving class, but most of her students cannot afford it so she lets them attend for free. Rachel also pays for the supplies for them. Problem is, Rachel is flat broke herself! Rachel has a broken upstairs window, a tree that has fallen down on her neighbor's fence and he is taking her to court, she had loaned out money to a friend, Myron, who keeps stealing her T-Mobile phone and claims he cannot pay her back yet, and her best friend, Dagne, keeps popping over and convincing her to practice witchcraft. Rachel wishes for a true love with a British accent and sure enough, there he is in the form of Flynn Oliver. Flynn is a computer programmer, temporarily in America and he has his eyes on Rachel. But lately, a series of art crimes have swept the area and the truth surprises everyone! ***** Okay, it is easy to figure out what is going on and who the bad guy is. But that is such a minor part of this wonderful tale that I could care less about because watching Rachel and Flynn together is astounding! The secondary character named Dagne needs her own story. She is totally into white magic, but is very bad at it. She never has the needed ingredients and keeps substituting items. It seldom works the way expected either. Dagne's story would be just as fascinating as Rachel and her sisters'. Anyhow, back on track. This novel is unputdownable! I had an awful time pulling my nose out of the book long enough to deal with my own everyday life. I could not get enough. The characters are easy to love and believable, the plot is very good, the story is filled with wit, and a sub-plot or two keeps things hot. Highly recommended reading! ***** Reviewed by Detra Fitch of Huntress Reviews. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good to read on the subway Von Natalia This is a book that is not out of the ordinary, but its good to read while on the subway.

Kurzbeschreibung In the third book of The Fancy Lives of the Lear Sisters trilogy, a dreamy, sheltered heiress finds herself thrust into the real world, never imagining a cold dose of reality holds the key to her happily ever after. Rachel Lear is a dreamer, content to spend her days curled up with a romantic novel or dabbling at the dissertation she cant seem to finish. But then her overbearing father, fed up with Rachels aimlessness, decides to shock her back to reality by cutting her off from the family fortune. Suddenly Rachel needs a plan and, more importantly, a job. Fortunately her best friend (who dabbles in magic) has an idea: cast a spell to bring prosperity and love into Rachels life. Something so crazy cant possibly work can it? Handsome, charming, and with an English accent to boot, Flynn Oliver is like a real-life Prince Charming. A man that sexy could have any woman he wants. But when fate places him in Rachel Lears path, it doesnt take long for Flynn to realize shes the only woman for him. Theres just one catch: Flynn isnt like the characters in her romance novels. Hes a real man, with real shortcomings and secrets. Secrets that could dash Rachels dreams or give her the perfect ending after all.
