Unterhaltung Von eathekla Dies war das erste Buch, das ich von S. Grace gelesen habe. Mir hat es sehr gut gefallen. Die Charaktere und Umstände sind gut beschrieben, ohne dass es langweilig wird. Das Buch ist flott und witzig mit den entsprechenden Verwicklungen, die ein Liebesroman ausmacht. Romantik und ein Schuss Erotik, was will man mehr.

Kurzbeschreibung HE'LL NEVER SETTLE FOR ONE WOMAN...AND SHE WON'T SETTLE FOR HEARTBREAK... Debonair bachelor Lord Andrew Forest lives for pleasure and offers no apologies. But he receives a dose of his own medicine when his family's entrancing houseguest beds him, then disappears without so much as a by-your-leave. He'd like to teach the little vixen a thing or two about how to love and man...if he can find her..After the dashing man of her dreams is revealed as a lying scoundrel, heiress Lana Hilary is ready to seek a match with a respectable gentleman-if only they weren't so dreadfully boring. Unable to rein in her bold nature for long, Lana flirts with trouble and finds herself entangled with exactly the type of man she's vowed to avoid.
