Von Ein KundeThis book is one that brings to light the very real problem of learning disabilities in the schools today. Liz, Kevin's teacher, sees that sometimes behavioral problems are not always what they seem. Todd, Kevin's dad, proves that parents will do anything for their children even admitting to their own shortcomings. This is an emotional book that is extermley well written.

Kurzbeschreibung Learning to Love Elizabeth Gentry put all her passion into her students. Educating them, encouraging them, reaching them that was easy. It was the living that was hard. After the betrayal, the grief and the pain, there was a kind of peace in giving away her heart to her pupils. That was what made Todd Lewis so dangerous. With his dogged determination and rugged handsomeness, he had slowly staked his own claim on her heart and made her feel again. Made her want to hope and dream. But her hopes, her dreams, her heart were so fragile. Could she entrust them to him? Or would he destroy them for good? Sherryl Woods writes with a very special warmth, wit, charm and intelligence. New York Times bestselling author Heather Graham BONUS BOOK INCLUDED IN THIS VOLUME Home on the Ranch by bestselling author Allison Leigh Rancher Cage Buchanan would do anything to help his daughter even if it meant enlisting the aid of Belle Day, his family's enemy.
