KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A little bit dark, but still a really good story. Von JessiStory This was so extraordinary. Love it. Especially this dark side of it. Movie here I come Characters I liked it that Jake could show emotions and he wasn't presented with the typical thought of "boys don't cry". World I want to see Loops myself. Not live in it, just see it. That would be so cool. Or to be particular, even if it has its bad sides. Love What can I say: a little weird but cute. Writing style I especially liked the last few pages with the poetic parts. "Stars, too, were time travelers." 1 von 1 Kunden fanden die folgende Rezension hilfreich. overratedVon I.S.I read the novel because a friend really liked it. Well, I didn't so much, even though I read it completely. As others have said before, more could have been done with the idea of the peculiar children and I also agree with others who said that they enjoyed the first half. It was the same for me. I will definitely not read the other two sequels. There are better books to be read.1 von 1 Kunden fanden die folgende Rezension hilfreich. warum denn blo???Von one of meJa, das beginnt schon vielversprechend, um dann allerdings kurz vor der Halbzeit furchtbar de zu werden. Die Sprache gefällt mir durchaus, aber ab einem bestimmten Punkt bleibt die Handlung weitgehend auf der Stelle stehen und es wird nur noch endlos palavert. Damit gebe ich mich nicht wirklich zufrieden und deshalb werde ich die Bnde 2 und 3 nicht lesen.Allerdings: Mal sehen, was Ransom Riggs als nchstes bringt. Vielleicht kann ein Lektorat den berschumenden Wortschwall ein wenig dmmen und den Gehalt frdern. Dann gibt's mal keine Trilogie, sondern ein gutes Buch - wir werden sehen...
