Von Barbara Metzger : Miss Treadwell's Talent (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Miss Treadwell's Talent (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Make into a movie, pleaseVon Ein KundeMs. Metzger has amazing wit. I savored this book over several days. I did not want to skim over a single funny line or miss out on laughing out loud. All the charecters were a hoot. If this book were made into a movie, it would seriously compete with all the recent Jane Austen movies. Are there any producers out there?0 von 0 Kunden fanden die folgende Rezension hilfreich. Delicious fun!Von Ein KundeBarbara Metzger has

done it again! I howled like Alex, the dog from beyond the grave, the entire way through this instant classic. The draw here is not only the charming romance between Maylene and the earl, but also a cast of characters that are sheer fun. Queen of the One-liners and Goddess of Alliteration, Metzger gives us the wittiest writing in the Regency romance genre today. Relish every word of *Ms. Metzger's Talent* in this keeper. It'll be too long until we get another.0 von 0 Kunden fanden die folgende Rezension hilfreich. A truly spirited MetzgerVon doyce.linda.Ms. Metzger dives head first into the realm of spirituality in her latest romp. Miss Treadwell's mother is a psychic--communing with Max who searches the Beyond for the dearly (or not so dearly) departed. Add a darkly brooding skeptic hero, a missing almost fiancée, a distraught duke, and a henpecked son seeking his dead mother's guidance and you have a typical Metzger keeper. Absolutely delightful as usual!

KurzbeschreibungStill unwed at twenty-one, an unconventional high-spirited woman finds her affections sought by a handsome, devilishly charming Earl, who is nicknamed "The Ideal" by the ton--for his combination of wealth and looks. Though at first she fights his advances, slowly she forms a heated alliance with him. But sparring with words soon turns into a succumbing passion...KurzbeschreibungStill unwed at twenty-one, an unconventional high-spirited woman finds her affections sought by a handsome, devilishly charming Earl, who is nicknamed "The Ideal" by the ton--for his combination of wealth and looks. Though at first she fights his advances, slowly she forms a heated alliance with him. But sparring with words soon turns into a succumbing passion...ber den Autor und weitere MitwirkendeBarbara Metzger is the author of more than two dozen Regency romances, and the proud recipient of a Romantic Times Career Achievement Award for Regencies. When not writing Regencies or reading them, she paints, gardens, volunteers at the local library, and goes beachcombing on the beautiful Long Island shore with her little dog, Hero. She loves to hear from her readers, care of Signet or through her Web site.
