To Russia for loveVon Ein KundeWhen Allie comes to Russia she gets stuck with Drake Marsden as a kind of chaperon/tourist guide. She has some missgivings because she thinks she can take care of herself. Luckily for her Drake always seems to be around when she's in need of being rescued. Even though she didn't want to fall in love with him there is an attraction between them. Some mystery from the past seems to make him keep his distanz from her. Nice story with a bit of chasing after! No five stars because I only reserve them for the outstanding.

KurzbeschreibungHer personal bodyguardAllie had teased him, insulted him, but still she seemed to be stuck with Drake Marsden as her official chaperon! He'd been appointed to look after her during a crucial assignment in Russia, and he refused to leave her sideday or night.Just because Allie was pretty and petite didn't mean she needed Drake's protection! And she simply refused to be seduced by him. At least, that was the idea. Until her twenty-four-hour bodyguard decided the safest place for her was in his bed!
