Unhappy Christmas story!Von Ein KundeMarnie was married to Tom but he didn't want any children. So she left him and returned home.... Basically, I hated this hero. He was self-absorbed and juvenile. Who cares how he was treated in high school. By the end of the story I was routing for Marnie to show him the door!

KurzbeschreibungWhat child is this?All Marnie Afton had ever wanted was Tom Jakes's strong arms around her, and

his children at her breast. But Tom had grown up in a loveless family, and his unwillingness to have children finally tore them apart. Now Tom was back, wanting a second chance. The problem was, he hadn't come alone; he'd come home a single father....Little Cody had changed Tom's life in a hundred wonderful ways. Including that he was now ready to win Marnie back even if he had to enlist the help of his adorable baby boy to melt her heart. For Christmas was a season of miracles, and it just might take one to gain Marnie's forgiveness! Give the gift of joy this holiday season, with Harlequin American Romance!
