must return to face why she fled Vermont in the first place: Luke Hastings, who still heats her up like a shot of smoky  
whiskey on a cold winter's night.Grace is back, and Luke is worried. How much has she changed as a bestselling  
author in the big city? What memories will she stir up? And was the choice he made five years ago the biggest mistake  
of his life?Now, with their past, present, and future rocking around the Christmas tree, it's time for Grace and Luke to  
face the music . . . and the mistletoe.Pressestimmen"Sweet, tender, and burgeoning with Christmas spirit and New
