Von Isolde Martyn : Mistress to the Crown (Mills Boon MB) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mistress to the Crown (Mills Boon MB):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unerwarteter Weise gut.Von AltheneAngefangen hat das Buch wie eine Liebesschnulze aber es wurde besser und hat sich dann doch fast zu einem historischen Roman gemausert.Nicht zu vergleichen mit Philippa Gregory aber dennoch unterhaltsam.0 von 0 Kunden fanden die folgende Rezension hilfreich. lebendige GeschichteVon ukmumDas erste

Buch von Isolde martyn, das ich gelesen habe. Wunderbar verfasst und Geschichte wird durch ihre Wrter lebendig. Ich kann kaum warten, weitere Werke zu lesen.

Kurzbeschreibung A Royal Mistress Elizabeth Lambard was to become known as the notorious whore, 'Jane Shore' lover of King Edward IV. The day Lord Hastings came into her husband's shop, Elizabeth saw a vital opportunity to separate herself from her dull, impotent husband, William Shore. The handsome stranger might be her only chance to partake in the dance of desire and annul her marriage. She did not, however, foresee her introduction to the King of England, nor her future at his side and in his bed. From this unlikely alliance, Elizabeth is granted severance from Shore, and flourishes due to the Yorkist King's admiration. But her new position comes at a terrible price her family shun her, the people of London label her a harlot and the White Queen's family are powerful enemies. So long as King Edward and Hastings stay close, Elizabeth is safe. But her beloved Ned falls ill and Richard III's supporters gather. Can Elizabeth's beauty keep her out of trouble? Or will it lead her to the hangman's noose? Rich and vivid Passion, drama, glamour and wit turn this story of a woman who challenges her world into an unforgettable experience.
