Von Linda Lael Miller : Mixed Messages (Mills Boon MB) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mixed Messages (Mills Boon MB):

Mixed MessagesVon Ein KundeHaving read many of Linda Lael Miller's books, I found Mixed Messages a complete delight. Even though the longer novels usually interest me most, the story of Carly and Mark had so much spark and wonderful chemistry, I couldn't help but find it one of my favorites. It's great to see a determined female use her brain and help both she and her man win at the game of love and life. The story has just enough character development and conflict to

make this a great romance read. Can't wait for more Miller romance like this.

Kurzbeschreibung Carly Barnett's lifelong dream was to be a journalist tracking down leads, interviewing important people, making a difference. A job offer at Portland's Oregonian Times seemed like an ideal place to start, until she learned exactly what she'd be doing. Writing an advice column for lonely hearts wasn't quite what she'd envisioned, but it was a beginning. Mark Holbrook did nothing to disguise his disdain for the new staff reporter if you could call Carly's column reporting. Still, he couldn't deny his attraction to her. But that didn't mean he'd take her advice not even if she held the key to his own lonely heart. Ms. Miller brilliantly taps into all our deepest fantasies, creating pure reading magic for romance fans in search of the extraordinary.
