Ich wrde es nochmal lesen.

KurzbeschreibungWhen Richard introduced his friend Manny -- a star baseball player -- to his mother, he had no idea what he was setting in motion. This erotic short story from the mind of Cami Starr gives a whole new meaning to the idea of an 18th birthday present!=====** Warning: This story contains explicit descriptions of sexual activity. It is intended ONLY for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

=====Later in the evening, after Manuel opened his gifts, his mom and dad decided to open the pool. Manuel and Richard were the first to jump in. Other guests slowly waded in while Molly sat on the side of the pool and watched. Manuel caught her attention at one point and asked if she'd like to join the rest of the party in the pool."Thank you," she said apologetically. "I didn't bring a swimsuit.""You can borrow one of mine," Angie offered. "You look about my size."Molly tried to refuse, but the guests, including Richard, managed to guilt her into it. Everyone was having a great time and just about all the guests were beginning to feel good under the influence of the alcohol. "Come on. I'll pick you something out."KurzbeschreibungWhen Richard introduced his friend Manny -- a star baseball player -- to his mother, he had no idea what he was setting in motion.
