Von Henry Miller : Moloch: Or, This Gentile World (Miller, Henry) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moloch: Or, This Gentile World (Miller, Henry):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A writer waiting to happenVon Doug VaughnWhile one may see in this book many of the characteristics, themes and incidents of Miller's writing that would one day cause him to be recognized a true original, if not truly great, I doubt that this is a book that anyone other than a die hard Miller fan would like. It is early stuff for Miller, who was just learning his

own voice as a writer, and lacks the exuberance and passion of his later work. It probably will find its place mostly as an item to be studied by Miller scholars but I can't imagine actually reading it for pleasure when one could turn to the later and much better books like the 'Tropic' books and Sexus, Nexus and Plexus. Some of us think that Miller is a great writer, but he had not yet become one when he wrote this. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The Reigning God of Angry Young Men! Von Ein Kunde Although, Mr. Miller, was not young when he wrote this novel, he was without a doubt, still in his full mental faculties. I love this man. When you can't sleep at night, or want something to make you laugh, or cry (at times). The works of Henr Miller fits just what you are looking for at all times. Every conceivable emotion is in every book by him. Every soul should at least read one of his novels before they die! This man was a truly unrecognized genius and it is a shame that we live in this modern age and still can't give some credit to a man who revolutionized literature for an entire generation

Kurzbeschreibung Uncovered along with Crazy Cock in 1988 by Miller biographer Mary V. Dearborn, Moloch emerged from the misery of Miller's years at Western Union and from the squalor of his first marriage. Set in the rapidly changing New York City of the early twenties, its hero is the rough-and-tumble Dion Moloch, a man filled with anger and despair. Trapped in a demeaning job, oppressed by an acrimonious home life, Moloch escapes to the streets only to be assaulted by a world he despises even more a Brooklyn transformed into a shrill medley of ethnic sights, sounds, and smells. The antagonized Moloch strikes out blindly at everything he hates, battling against a world whose hostility threatens to overwhelm and destroy him.
