Von Keary Taylor : Moments of Julian (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moments of Julian (English Edition):

Forget realismVon Kindle JunkieI agree with "ih" in that the business end of the story was a bit ridiculous and far from reality. Also - a 10-year old security program? But the grammar errors, e.g. "between Julian and (ouch!) I" makes me wonder about the proof-readers. Unfortunately, such errors are not uncommon in e-books, but still does not make the

language correct. Sage's reaction to her assistant's mentioning her lack of private life was a bit over the top for an otherwise intelligent woman. But I did enjoy reading how Julian and Sage grow into a relationship and had to laugh a few times - he's her dot dot dot. (I don't think that was a spoiler.) 0 von 0 Kunden fanden die folgende Rezension hilfreich. no must read Von ih Das Cover hat mir gefallen und auch die Kurzbeschreibung las sich vielversprechend. Die Charaktere sind gut zu leiden, Sage die Taffe, Julian der liebenswerte Nerd und besonders Sage's berfrsorgliche Familienmitglieder. Ansonsten ist die Story ein groes Mrchen, unglaubwrdig und recht vorhersehbar. Die Autorin hat schlecht recherchiert wie groe Firmen funktionieren und Verhandlungen gefhrt werden (u.a. : welche IT-Firma schickt eine einzige Frau! fr den Abschluss eines mehreren Millionen-Geschftes alleine nach China. Einzige Untersttzung ist der Softwareentwickler, auf welchen sie, das erste Mal zur Verhandlung trifft, der Vertrag ist natrlich nach 3 h unterschrieben in ihrer Tasche...). Fr mich war es zu viel Fairy tale, besonders im "Spannungsteil". Am Glaubwrdigsten kam noch die Hintergrundgeschichten und alten Wunden der Hauptcharakter daher. Auch als nicht Muttersprachler habe ich viele Fehler bemerkt.

Kurzbeschreibung It was just a work party, filled with kissing the well-dressed rear ends of clients and fake smiles. Until my boss accused me of something I didnt do. Until I got pissed and then there was this guy who was hot and flirting with me, and then there were his hands and the backseat of my car and a night of everything but you know what. I never expected to see him again. But suddenly Julian Dohring is everywhere. And I cant get over the endless tattoos that cover his arms, how hes apparently a recovering video game addict, and dresses like hes ready to walk down the red carpet at any moment. Ten years ago I made a pledge to stay away from alcohol and sex, and to never get too personal with anyone. Its gotten me this far. Im twenty-seven, I have a career Ive worked my heart and soul into, and more money than I could ever blow on shoes and the finer things in life. My attitude and pride have always been enough to keep any man from getting too interested. Until Julian who claims I cant dance, and has the nerve to call me a peach. Im Sage McCain, and needless to say, Julian has my attention. Love the McCain family? Don't miss Drake, Lake, and Kale's stories! Each book may be read independently. Intense, romantic, and always PG-13.
