Von Sibel Hodge : Money, Lies, and Murder (Amber Fox Mysteries book #2) (The Amber Fox Murder Mystery Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Money, Lies, and Murder (Amber Fox Mysteries book #2) (The Amber Fox Murder Mystery Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than the firstVon AnonymThough I liked the first, I was bothered about how the main character was portrayed. For an ex-cop she was far too easily startled. She also didn't show that much deductive skill. She seemed to solve the case more by stumbling on the solution.In this book she is way calmer, follows the leads and then thinks about possible scenarios. I can finally imagine why Brad would hire her, side from his not so hidden agenda of getting back in her good graces.The story centers around an underground boss who on the surface works as a boxing manager and promoter, but has some criminal activities like blackmail and fixed fights combined with illegal sport bets mixed in. His idiotic sidekick/bodyguard is good for a good laughs. If at all possible he is even dumber than the two goons from the last book, though probably more dangerous.I especially enjoyed how the seemingly unrelated cases tied together, though I was able to figure most of it out before the end of the book.The humor is more about pointed dialogue than getting the main character in unrealistic and contrived situations, which I prefer (though the other also has it's value).A good second installment will continue to read the series.0 von 0 Kunden fanden die folgende Rezension hilfreich. Everything you want in a book.Von Mystery ReaderThis was the first Sibel Hodge book I've read and I have to say I was thoroughly impressed with her writing style.'Be careful what you wish for' has all the elements needed to make a good book a success.The great one-liners from the main character Amber Fox had me laughing out loud.There is plenty to keep you entertained throughout and a superb mix of humour, romance all wrapped around a great mystery.I can't wait to get my hands on Sibel's other books0 von 0 Kunden fanden die folgende Rezension hilfreich. Good bookVon Kat E LIt's really a good book, with a good storyline and the descriptions are wonderful and the characters are on point. I can recommend to anyone. Should be selling in a set though. It would be better for the customers when sold as a set.

Kurzbeschreibung"If you like Janet Evanovich's Stephanie Plum I think you will really like Amber Fox - I know I do." ~ Martha's BookshelfArmed with cool sarcasm and uncontrollable hair, feisty insurance investigator Amber Fox is back in a new mystery combining murder and mayhem with romance and laughter...Three deaths. A safety deposit box robbery. The boxing heavyweight champion of the world. Somehow, they're all related, and it's up to Amber to solve a four year old crime to find out why. Only she stumbles across a trail of dead bodies and a web of lies spanning both sides of the social divide, this case starts to get personal. Someone thinks Amber's poking her nose in where it's not wanted, sparking off a deadly game of fox and mouse--only this time, Amber's the mouse. Out of options, Amber is forced to take refuge in the home of her ex-fianc, Brad Beckett, and now it's not just the case that's heating up!All Levi Carter wanted to be was the boxing heavyweight champion of the world, but at what cost? All Carl Thomas wanted was to be rich, but would his greed be his downfall?All Brad Beckett wants is to get Amber back, but there's a reason for the ex word. And all Amber wants is to get out of this investigation alive...(Formerly published under the title: Be Careful What You Wish For)What people are saying about Money, Lies, and Murder:"Ms. Hodge has written a funny and suspenseful story much in the style of Evanovich's Stephanie Plum books. The plot is fast moving and the dialogue very witty. The mystery is intriguing and interesting." ~ Coffee Time Romance More"WARNING: I don't do the book justice go read it for yourself - it's worth it! Left me speechless. Love the character, story line, everything" ~ Jagged Edge s"I was hooked in this book from beginning to end. This is a very well written book that has humour and romance." ~ Geeky Girl Books"Amber Fox was hilarious with her tough as nails outer persona and her hysterical one-liners that were frequently laugh out loud funny. I definately recommend picking this book up!" ~ The Caffeinated Diva reads..."A sharp, fast-paced story with intrigue, evil, romance, and humor. Amber Fox is the kind of strong lead female character with a great sarcastic wit that I love to read." ~ To Read, Perchance to DreamA recommended read by Kindle Users Forum!Kurzbeschreibung"If you like Janet Evanovich's Stephanie Plum I think you will really like Amber Fox - I know I do." ~ Martha's BookshelfArmed with cool sarcasm and uncontrollable hair, feisty insurance investigator Amber Fox is back in a new mystery combining murder and mayhem with romance and laughter...Three deaths.
