**Von Tymber Dalton : Monkey Business [Drunk Monkeys 1] (Siren Publishing Menage Everlasting)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Monkey Business [Drunk Monkeys 1] (Siren Publishing Menage Everlasting):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very interesting plot Von CA First, I found the book quite confusing and that it offered a crude language, maybe due to the

fact that it is SciFi and a world in which scientists have started a virus infection before they had a vaccine. However after not giving up in the beginning the book became better and fascinating.

Kurzbeschreibung(Book 1 in the Drunk Monkeys series.)[Siren Menage Everlasting: Erotic Post-Apocalyptic, Futuristic Sci-Fi, Military/Special Ops Menage a Trois Romance, M/F/M, HEA] When you absolutely, positively have a world to save, you need to call in...the Drunk Monkeys. Celia Jorgens is a reporter from Chicago. Traveling to Australia, she's chasing the story of a lifetime--and a scientist she thinks might have answers to stop the deadly Kite virus that's ravaging the globe. Tango and Doc are part of the Drunk Monkeys elite special ops unit. They've been given a mission, to bring in the scientist and use the reporter to find him. Unfortunately, it turns out shadow factions want them to fail, and the men no longer know who they can trust.As passions flare between Celia and her two hunky military men, they all find themselves in a race to escape Australia before the borders close and their enemies find them. Now, it's up to Celia and the Drunk Monkeys to go off-the-grid and commit a little monkey business of their own before time runs out for the human race.\*\* A Siren Erotic RomanceThe books in this series are best read in order: Monkey BusinessMonkey's UncleMonkey WrenchGrease MonkeyBarrel of MonkeysFlying MonkeysIce MonkeysCode MonkeyMonkey See, Monkey DoMonkeying Around
