sperrig trotz schon erfolgter Krzungen der Originalgeschichte Von Devi Etwas sperrig trotz schon erfolgter Krzungen der Originalgeschichte. Viele Kampffesschilderungen, die mich persnlich eher langweilen, aber dies ist nunmal ein Teil der Geschichte und der bersetzer hat sie schon gekrzt. Darber bleibt die Botschaft, dass wir die einzelnen Protagonisten, allen voran den Affen allegorisch in uns haben und die beschriebenen Kmpfe sinnbildlich in uns selber statt finden, manchmal schwer zu greifen. TRotzdem eine gute Mglichkeit, sich dieser in China jedem Kind bekannten Geschichte anzunhern und sie kennen zu lernen.

Kurzbeschreibung This classic Chinese epic features a new introduction by Daniel Kane, Head of Chinese Studies at Macquarie University and Cultural Counselor at the Australian Embassy in Beijing in 1996. China's most popular traditional novel, *The Monkey King's Amazing Adventures* is the story of the Monkey King, his incredible origin and downfall, and his epic quest to redeem himself with his trusted companions, as they face fantastic foes, demons, and monsters and have amazing adventures in their travels to the Western paradise. No matter what obstacle was put before him, the clever, wily Monkey King always got what he wanted: unimaginable strength, eternal life, even his own position in the Celestial Realm with the gods. But more than anything else, the Monkey King loved mischief and rule-breaking, and he was sure that he was the most powerful creature in the world. But after defeat and punishment, the Monkey King found himself wanting some things he never expected: to be good enough and have the discipline to help the monk Xuanzang on his mission to bring Buddhist Scriptures and enlightenment to China. Readers will thrill to Timothy Richard's retelling of the Monkey King's exploits: he never disappoints, whether in the Dragon King's underwater castle, the Halls of the Dead, or the palace of Buddha himself and find themselves captivated as he joins Xuanzang and his other trusted companions, the Dragon Horse, the Monk Sand, and the equally mischievous Pig on the dangerous trek West.

ber den Autor und weitere Mitwirkende Timothy Richard traveled to China in 1868 as a Baptist missionary. When other missionaries were attempting to stamp out the popular local tales of gods and heroes such as *The Monkey King's Amazing Adventures*, Thomas Richard championed them for the universal messages of spiritual challenge and growth they contain. he is also the author of *Forty-five Years in China*. Daniel Kane is the Head of Chinese from the University of Melbourne and a PhD from the Australian National University. He was visiting scholar at the Department of Chinese at Peking University in 1988 and 1993 and Cultural Counselor at the Australian Embassy in Beijing in 1996.
