Von Theresa Scott : Montana Angel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana Angel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A lot of drama misunderstandingsVon Ein KundeAt times, the hero and heroine should be soundly shaken, for not spelling out their feelings or for letting others decide their course of action, but the feelings and romance is definitely there!At the

beginning of the book, the two are lovers (unmarried) but the heroine feels deserted when the hero, a soldier, has to go off into battle. At this time, she already knows that she is pregnant but doesn't tell him so when he seems distracted and doesn't make any promise of marriage before his departure. Ten months later, the hero returns to Montana to look for her, and finds her married to a rich, but temperamental farmer. When her husband convinces him to work on his farm, the two grapple with their respective sense of betrayal and their love for each other. I liked that after the husband was out of the picture that the heroine did not simply fall into the hero's arms but attempted to take care of herself and her baby on her own. She definitely has grit when it comes to the hero but she let her husband treat her too poorly. The hero is not afraid to show his sincerity about wanting to care for the heroine and their baby by baby-sitting and doing other various things that men of that time might not have done to support the heroine as she tries to earn money on her own. His attitude is quite "modern". All in all, a very enjoyable read. For greater emotional depth and a very unusual storyline, try Theresa Scott's "Hunters of the Ice Age" series - every single title made me cry! My favorite: "Broken Promise" Description from back cover of "Montana Angel": When the man she loved was ordered to leave Montana to escort his Union troops to Virginia, Amberson Hawley couldn't bring herself to tell him that she carried his child. Though he promised to return, the lonely beauty knew in her heart she'd never see him again. She'd heard too many stories of women abandoned by men who'd never really loved them. Now, caught in a loveless marriage, she had only her infant son to remind her of the night of bliss they'd shared. Then one day Justine Harbinger rode into the Triple R Ranch with her husband's cowhands, and Amberson had to pretend that that night had never happened. But although she told herself she'd never forgive Justin for abandoning her, the two found themselves fighting an all-too familiar attraction. And she wondered if she'd been given a second chance at love from her... MONTANA ANGEL.

Kurzbeschreibung Life on the Western Frontier in 1866 is dangerous when you're a beautiful woman... Alone and pregnant, Amberson Hawley believes the man she loves died in the War. When a wealthy man begs for her hand, she accepts, not knowing his true character. Justin Harbinger fulfills his vow to return to the woman he loves. But when he finds her married and with a baby in her arms, he wants nothing to do with her or her disloyal ways. Running from a faithless marriage, can Amberson find true love with Justin again, or will he leave her to fight the harsh ways of the wild west alone? Kurzbeschreibung Life on the Western Frontier in 1866 is dangerous when you're a beautiful woman... Alone and pregnant, Amberson Hawley believes the man she loves died in the War. When a wealthy man begs for her hand, she accepts, not knowing his true character. Justin Harbinger fulfills his vow to return to the woman he loves. But when he finds her married and with a baby in her arms, he wants nothing to do with her or her disloyal ways. Running from a faithless marriage, can Amberson find true love with Justin again, or will he leave her to fight the harsh ways of the wild west alone? Synopsis Left pregnant and alone by the lover who had abandoned her, Amberson Hawley enters into a loveless marriage to protect her infant son, but her life is thrown into turmoil when Justin Harbinger returns to her husband's Montana ranch. Original.
