Heartwarming romanceVon Petra PfaffenbergerThis story is about Logan, who wants to rescue the old ranch of his and his brothers. After many years of rodeo he is coming back for settling down for good.Not long after his arrival his

neighbor, a single-rearing mother of 2 adorable boys, is getting his attention. He learns about her life story, abandoned from her ex-husband, she is working hard for getting along with the bit of money. About the same time Logan is coming back to his ranch, her ex-husband and his new wife are visiting the boys. When there are some occurrences at the home of Briana, nobody knows who is threatening her, but it sure is to be taken seriously. I liked the story of the lost cowboy, yearning for a family, and the single mother, always thinking of her boys first. Eventually they are falling in love - okay 1 week is really very fast - but if you read romances, you know the end of the story from the beginning. I recommend this book to everybody, who likes ranches and cowboys in contemporary love stories. And that's for sure: I'm looking forward to the stories of Logan's brothers: Dylan and Tyler.
