Von R.C. Ryan : Montana Legacy (McCords Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana Legacy (McCords Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. McCord Cousins, Book OneVon Detra FitchThe Lost Nugget is a working ranch in Montana. Grandpa Coot had purchased all

the surrounding land possible, so the ranch now boasts thousands of acres. Three McCord cousins and their families live with Grandpa Coot and Aunt Cora in the massive house. Jesse McCord, the oldest cousin, never leaves the ranch. However, the other two leave when their parents move away from Montana. Once adults, Wyatt and Zane do not return to the Lost Nugget until they receive word of Grandpa Coot's death. The estranged cousins are brought back together for the funeral. The will forces the trio to remain on the ranch together and to continue Coot's search for the family lost fortune. Amy Parrish is Jesse's lost love. As a teen, she had moved away suddenly, with no word of explanation. Now she has returned to care for her ailing father. Their feelings for each other have never dimmed, but neither is willing to hand over their heart for fear of rejection. Danger lurks them as well, because someone close is threatening Amy and Jesse's very lives. **** FOUR STARS! A well written story with fully-developed characters that I easily came to care for. The tempers of the cousins are short and they enjoy venting their anger with their fists; however, the author makes it clear that they never abuse innocents. The unknown enemy does not begin causing trouble until half-way into the story. Until then the story focuses on reuniting the cousins and bringing Jesse and Amy back together. By the end, I felt as though I had read two back-to-back novellas. (Before danger starts and after.) However, since this title is the first of a trilogy, I understand that a solid foundation for all three titles needs to be built. The author does a fabulous job of it too. I eagerly await the next McCord cousin's story in May, 2010. ****Reviewed by Detra Fitch of Huntress Reviews.
