**Von J.R. Rain : Moon Child (Vampire for Hire Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Child (Vampire for Hire Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Gute Anstze, unbefriedigender Schlu \*3.5 Sterne\*Von javelinxSamantha Moon, American Mom und Vampir wider Willen, steht vor der schwersten Entscheidung ihres Lebens: ihr 7-jhriger Sohn Anthony ist so krank, da nur eine Verwandlung zum Vampir ihn noch retten kann. Soll sie ihr Kind wirklich zu einem Dasein verdammen, das Sam selbst hat? Kann sie ihn sterben lassen? Gibt es eine andere Mglichkeit? Neben diesen Fragen mu Sam sich noch zwischen ihrem

Seelenfreund, dem attraktiven Barkeeper Fang, und dem Staranwalt und Werwolf Kingsley entscheiden...Die 4. Folge der "Vampire for Hire"-Serie knüpft nahtlos an die Cliffhanger an, mit denen Folge 3 endete. Samanthas Sorge um ihren kleinen Sohn und die fast unmenschliche Entscheidung, die sie fällen muss, und was dies in ihr auslöst, gehört zum Besten und Intensivsten, was die Serie zu bieten hat. Sam muss sich einmal mehr mit ihrer neuen Existenz auseinandersetzen und ringt darum, das Richtige für ihr Kind zu tun - egal, was ihr Umfeld davon hält. Sams Entscheidung nach qualenden inneren Kämpfen scheint zunächst konsequent, wird dann aber nach und nach wieder in Frage gestellt durch unerwartete Hilfe, die Sam erhält, und führt einer Auflösung, die unlogisch ist, überhaupt nicht in den bisherigen Handlungsverlauf passt und quasi aus heiterem Himmel erscheint, und einfach zu glatt und berastet dasteht. Das Ende kommt völlig abrupt und unbefriedigend und wirkt, als hätte den Autor plötzlich die Inspiration und die Lust im Stich gelassen, und ist dem bisherigen hohen Niveau der Serie nicht würdig. Wie in Folge 3 bricht die Handlung nach 76% ab, den Rest des e-Books machen wieder Leseproben aus, die man meist schon kennt. So gut die Serie bisher war, muss man sich ernsthaft überlegen, ob man nach dem Zwischenfinale wirklich mit Folge 5 weitermachen will. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gefällt mir Von Joe Man bangt und zittert mit ihr und versucht sich in ihre Position zu versetzen, was mir allerdings nicht gelang. Konnte es zwar aus der Hand legen, aber das Kapitel musste dann auf jeden Fall zu Ende gelesen werden :-)) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr guter Roman, aber Ende etwas enttäuschend Von Claudia Ich habe die Samantha Moon-Reihe bis hierher am Stück verschlungen. Für mich eine sehr gute Vampirserie, die nicht nur die blässlichen Klischees der Vampire bedient, sondern aus einer anderen Perspektive erzählt, nämlich der einer (fast) normalen Frau, die zur Vampirin gemacht wurde und versucht, ihr Vampirdasein mit ihrem Leben und vor allem auch ihrer Rolle als Mutter unter einen Hut zu bekommen. Einen Punkt Abzug leider für das Ende, das bei mir den Eindruck hinterlassen hat, dass die Seitenzahl erreicht war und man versucht hat, das Buch möglichst schnell abzuschließen.

Kurzbeschreibung Mother, wife, private investigator...vampire. Six years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now in MOON CHILD, private investigator Samantha Moon is faced with an impossible decision a decision that no mother should ever have to make. A decision that will change her life, and those she loves, forever. And through it all, Sam finds herself in a lethal game of vampire vs. vampire as a powerful and desperate enemy will stop at nothing to claim what he most desires. \*\*Acclaim for the Novels of J.R. Rain\*\* "Gripping, adventurous, and romantic J.R. Rain's The Lost Ark is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!" JAMES ROLLINS, international bestselling author of The Devil Colony "I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature." PIERS ANTHONY, bestselling author of A Spell for Chameleon "Dark Horse is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere." GEMMA HALLIDAY, bestselling author of Spying in High Heels "J.R. Rain delivers a blend of action and wit that always entertains. Quick with the one-liners, but his characters are fully fleshed out (even the undead ones) and you'll come back again and again." SCOTT NICHOLSON, bestselling author of Liquid Fear "Impossible to put down. J.R. Rain's Moon Dance is a fabulous urban fantasy." APRIL VINE, author of Intrigue In India "Moon Dance is absolutely brilliant!" LISA TENZIN-DOLMA, author of Understanding the Planetary Myths "J.R. Rain is the new modern master of vampires." H.T. NIGHT, #1 bestselling Kindle author of Vampire Love Story "I love Jim Knighthorse! Please write faster, Mr. Rain!" ELAINE BABICH, #1 bestselling Kindle author of You Never Called Me Princess "Moon Dance is a must read. If you like Janet Evanovich's Stephanie Plum, bounty hunter, be prepared to love J. R. Rain's Samantha Moon, vampire private investigator." EVE PALUDAN, author of Letters from David "I totally loved The Body Departed. As someone who communicates with those who are either earthbound or have crossed over your descriptions and interpretations of the dialogue and circumstances could not have been written more accurately." JULIE BELMONT, author of The Path to Personal Success and Freedom "I thoroughly enjoyed The Vampire With the Dragon Tattoo from one of my favorite authors. A great way to spend a few hours of the afternoon." JEN ASHTON, #1 bestselling Kindle author of Monstrous Love "Powerful stuff!" AIDEN JAMES, bestselling author of The Vampires' Last Lover "Jim Knighthorse is a throwback to classic detectives, which is probably why I love him so much. Funny, street-smart, and tough as nails. I love this series." SUMMER LEE, author
