Von Mariah Stewart : Moon Dance (Enright) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Moon Dance (Enright):

Kurzbeschreibung Bestselling author Mariah Stewart shows her softer side in this endearing love story of two searching hearts... Georgia Enright has dedicated her life to dance. But at age twenty-six, her dreams of becoming a lead dancer are fleeting. Having missed college and the sweet moments of ordinary life, she ventures to Pumpkin Hill, an old farm owned by her newly found half-sister, Laura Bishop, to contemplate her future. There, discovering an affinity for the simple pleasures of country life and a barn just perfect for giving dance lessons, Georgia enjoys in oasis of peace...until Matthew Bishop shows up. An abandoned child taken in by the same loving parents who had adopted Laura, Matt Bishop has plans of his own for that empty old barn at Pumpkin Hill plans that include a veterinary clinic, not a ballet studio! The only thing the rugged doctor resents more than Laura's interest in her birth family the Enrights, is having to share the premises with one. Yet despite himself, he can't deny there's something special about the graceful, blonde Enright who has brightened his world and if he's not careful, she just may find a way to dance into his heart. Pressestimmen "Enchanting. . . . A story filled with surprises." -- The Philadelphia Inquirer "Stewart hits a home run out of the ballpark . . . a delightful contemporary romance." -- The Romance Reader Kurzbeschreibung Bestselling author Mariah Stewart shows her softer side in this endearing love story of two searching hearts...
