KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. what a ride..Von Anne B.I was so looking forward to the finale book in this series and wasn't disappointed!!It starts right

where the second book ends. I read it in one sitting and couldn't put it down till i've read the last page. With Luca being alive, the Pure Blood on the hunt for the unique White wolf and Alec and his friends with their lives on edge, trying to survive and fighting for the ones they love...wow, that was a ride! Exciting, adventurous, sexy but still time for a little romance and humour. Will Alec, Philip and Max get a happy end? Will their fight against the Pure Blood be successful? See yourself, it's worth it. This book is really amazing and worth to be the conclusion of the whole great Story. I love this trilogy and will definitely read it again soon!

Kurzbeschreibung The exciting conclusion to The Beast Within Trilogy! There is seemingly no escape for Alec and Philip when the Pure Blood is led right to the White Wolf. Rachelle finally stands with her brother to fight for his new life and his right to love and it's an all out war for survival with casualties on both sides. It's a race against time to stop the Pure Blood from completing the moon ritual with the only thing he needs....the White Wolf. Alec, Philip and Rachelle will need all of their friends, old and new as the full moon draws near. Is their love enough to stop this threat once and for all? The answer will change the entire shifter world forever. Live the passion, adventure, and romance in Book 3 of the Beast Within Trilogy. It is strongly recommended you read Books 1 and 2 before starting this book.
