Von Terry Ward Tucker : Moonlight and Mill Whistles: Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moonlight and Mill Whistles: Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. I really loved it! All my friends are reading it now.Von Ein KundeI'm in the 7th grade and read about this book in our local newspaper. My mother bought a signed copy somehow and suggested (strongly) that I read it. I loved the story of the

gypsy and the boy in the mill. This was a lot better than the stuff the teachers make us read.

Kurzbeschreibung This is the poignant story of Tommy and Rhona, two adolescents in the early 1900's South who must prematurely put an end to childhood to help support their families. Child labor is still legal in spite of a national move to outlaw it, and millions upon millions of children, some as young as seven and eight, labor in spirit-numbing, menial jobs the same long hours as adults. Not until 1913 do the first laws banning labor go on the books. The boy in Tucker's story has stood before a loom in a cotton mill since he turned eleven. The girl is a beautiful gypsy princess who has told fortunes for money and food for as long as she can remember. Yet, in spite of their hopeless circumstances, Tommy and Rhona manage to find sweet and funny moments to behave like the children they are.

Theirs is the story of the resilience of youth and young love blooming.
