No words for the book but for the printVon CustomerI've received a large print book for the people who have the sight impairment. I bought it cheap so returning it would cost more. And it is difficult to read for people who do not have sight problems.0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely bookVon KundeThis is a lovely book out of "the no. 1 Ladies detective agency", I enjoyed it thoroughly.Witty writing and nice story.6 von 6 Kunden fanden die folgende Rezension hilfreich. Einfach schnVon Kindle-KundeDas ist nun schon das 3. Buch in der Serie um Precious Ramotswe Und ich bin schon wieder ganz hingerissen. Das dritte und zum Glck nicht das letzte....Es sind garnicht so die "Flle" die mich mitreissen, sondern die Sprache. Mit einfachen Stzen wird vom Autor eine Stimmung erzeugt, die gefhlsbeladen aber nicht berluden ist. Natrlich ist die Handlung auch interessant, aber eigentlich ist sie eher das Gerst fr die Gedanken von Mma Ramotswe ber die Welt im allgemeinen und Afrika im speziellen. ber die Menschen und ber ihre Strken und Schwchen. ber die Zeit und wie sie sich ndert.... melancholisch und einfach schn.
