**Von Christine DePetrillo : More Than Cookies (The Maple Leaf Series Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Than Cookies (The Maple Leaf Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wirklich nettVon HollenfeldHab das eBook umsonst bekommen und eigentlich nicht viel erwartet - wie bei so vielen anderen 0-Euro-Schmonzetten (reinlesen und gleich wieder loschen), die hier gierigen Viellesern (ich nehme mich da nicht aus) zum Fra vorgeworfen werden.Aber ... hier handelt es sich doch tatsächlich um einen gekonnten Mix aus Liebesromnchen mit einer ordentlichen Prise Erotik, Krimi und Heimatroman (Vermont), der als Lektre fr sonnige Strandstunden, nebelige Herbstnachmittage oder kuschelige Winterabende durchaus zum Kauf (momentan 3,07 ) zu empfehlen ist - mit ber 300 Seiten hat frau den auch nicht mal eben in einer Stunde inhaliert.Die Protagonisten sind zu s um wahr zu sein - definitiv zu viel Ahornsirup! -, die Oberzicke richtig fies und unglaublich, der Plot wirkt stellenweise sehr konstruiert und ist deutlich vorhersehbar - aber nett, wirklich nett.Ggf. erst Leseprobe holen oder als PRIMEaner einfach ausleihen - Kffchen oder Teechen dazu und genieen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr unterhaltsam!Von CustomerUnbedingt empfehlenswert. Liebenswerte Charaktere. Geht sehr schnell zur Sache und es passiert auch einiges aber deswegen lese ich ja auch dieses Buch und nicht mein eigenes Tagebuch ;-)

KurzbeschreibungBook Two in The Maple Leaf SeriesSage Stannard is grumpy. Having just attended her cousins wedding in California, shes at her limit for watching happy couples stare dreamily at one another. Shes never had anything but quick romps back home in Vermont that always turn out to be mistakes. Big ones. Maybe moving out of her mothers house and taking a stab at online dating will add a little excitement to this caterers stale life. Maybe itll bring more disappointment. Who knows?Chainsaw artist Orion Finley is on a mission to get his daughter, Myah, back from his ruthless ex-wife. Only trouble is his ex-wife is a crafty lawyer with connectionsones that give her the upper hand. She even managed to get custody of his dog, Ranger, just to drive the stake deeper into his heart. His father always told him women were poison, especially the pretty ones. Why hadnt he listened? Well, he was listening now. When Sage and Orion meet over a bloody couch, the gates are opened to a path neither of them is quite ready to travel on. Will they stumble? Will it be all uphill? Or will the end of the path be just the new beginning they need?KurzbeschreibungBook Two in The Maple Leaf SeriesSage Stannard is grumpy. By night, she writes everything. Adult romance, young adult romance, science fiction, fantasy, poetry, pieces about nature, and pretty much anything else that pops into her head. She can't NOT write. She's tried, but The Voices won't let her. They insist she writes their tales. Today, she tells stories meant to make you laugh, maybe make you sweat, and definitely make you believe in the magic of love.
