**Von Sidney Sheldon : Morning, Noon and Night** before purchasing it in order to gage whether or not it would be worth my time, and all praised Morning, Noon and Night:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Enjoyable, Twisting Thriller..Von Mrs. FitzA very quick reading mystery, with twists and turns and a surprising

murderer. As I read all the reviews it seems people either really like this book or hate it. I really liked it. One of Mr. Sheldon's best in my opinion. If you like mysteries, give it a try.0 von 0 Kunden fanden die folgende Rezension hilfreich. A simple story for young readers with superb illustrations!Von Alissa IrionThis is simply a wonderful book! I truly enjoyed using it while tutoring a fourth grade remedial reader because it was simple, yet beautifully worded and superbly illustrated. Each illustration is a marvelous nature portrait in itself. My fourth grade student (who happens to be very interested in science) savored each lovely portrait, as we talked about the animals and environments depicted in each one. Though the words are few and simple, the book avoids being overly childish. Rather, it respectfully presents the cycle of the day (morning, noon and night) and the beauty of various animals as they act in their natural environments throughout the day.0 von 0 Kunden fanden die folgende Rezension hilfreich. SloppyVon Ein KundeThe plot lacks integrity. There are so many errors that made me wonder if the book had been edited at all! Also, I believe that the author should've spent an extra 50-100 pages to better develop characters and settings. Nevertheless, I did enjoy reading the book with its many twists turns. Mr. Sheldon seems to be a very talented story teller who just needs a better editor. This was my first Sidney Sheldon book, and it would have been the last except that based on the good reviews that I've read here on , I'm willing to give his "Master of the Game" or "Rage of Angles" a try.

KurzbeschreibungThe Stanford family is one of the most respected in America but behind the facade of fame and glamour lies a hidden web of blackmail, drugs and murderWhen Harry Stanford, one of the wealthiest men in the world, mysteriously drowns while cruising on his yacht off the rugged coast of Corsica, it sets off a chain of events that reverberates around the globe.At the family gathering following the funeral in Boston, a strikingly beautiful young woman appears. She claims to be Stanford's daughter and entitled to a share of the tycoon's estate. Is she genuine, or is she an imposter?Pressestimmen"SIDNEY SHELDON SCORES WITH ANOTHER TALE OF MONEY AND DECEPTION....THERE'S NOTHING TO DO WITH THIS NOVEL BUT ENJOY IT".-- San Antonio Express NewsKurzbeschreibungThe Stanford family is one of the most respected in America but behind the facade of fame and glamour lies a hidden web of blackmail, drugs and murderWhen Harry Stanford, one of the wealthiest men in the world, mysteriously drowns while cruising on his yacht off the rugged coast of Corsica, it sets off a chain of events that reverberates around the globe.At the family gathering following the funeral in Boston, a strikingly beautiful young woman appears.
