Von Pierce Brown : Morning Star (The Red Rising Series, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Morning Star (The Red Rising Series, Book 3):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut, aber nicht sehr gutVon Auben AubiakDas ist nun der dritte Teil der Serie. Zu den ersten beiden habe ich (bisher) noch keine Beurteilung abgegeben, aber beim letzten Teil ist dies wirklich notwendig. Die Trilogie ist an sich gut geschrieben und geht eher zu dem Besten, das zuletzt so im Sci-Fi Bereich erschienen ist. Was nur nicht passt, und im letzten Teil vllig nervt, ist, dass der Protagonist einfach nicht zu lernen scheint. Ohne zu viel zu spoilern: in Teil 1

wurde er oft verraten. In Teil 2 wurde er wieder oft verraten. Und, oh Wunder, in Teil 3 ist wieder hinter jeder Ecke ein Verrat. Klar, der Autor nutzt das Mittel um Spannung zu erzeugen. Blo wird es irgendwann zu offensichtlich, und ich habe am Ende echt mit dem letzten Teil gekmpft, weil ich wusste es stirbt wieder diese Hauptfigur durch Verrat, der so offensichtlich kommt. Das ist als ob der Autor eine super-cleveren Protagonisten entwirft. Dieser packt auf eine Herdplatte und verbrennt sich. Und packt dann wieder zu. Und wieder. Und wieder. Und wieder. Und. ach, mein Gesicht schlft gerade ein Dafr nur 3 Sterne, weil das einfach viel von dem Buch und der Serie kaputt macht. Fr mich der schwchste Teil der Reihe, der sich am Ende einfach wie Kaugummi zieht. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Extraordinary Von Kunde Fulminantes Ende einer 1A-SiFi Serie. Ich habe jede Zeile genossen. Selten hat mich eine Si-Fi Serie so gefesselt. Gerne mehr davon! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Stunning finale Von Customer Pierce Brown gives his trilogy on Darrow, his friends and enemies a worthy finale. I was captivated and could not put the book down.

Kurzbeschreibung#1 NEW YORK TIMES BESTSELLER Red Rising thrilled readers and announced the presence of a talented new author. Golden Son changed the game and took the story of Darrow to the next level. Now comes the exhilarating conclusion to the Red Rising Trilogy: Morning Star. Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Societys mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied and too glorious to surrender. Pressestimmen You could call [Pierce] Brown science fictions best-kept secret. In Morning Star, the trilogys devastating and inspiring final chapter, . . . he flirts with volume, oscillating between thundering space escapes and hushed, tense parleys between rivals, where the cinematic dialogue oozes such specificity and suspense you could almost hear a pin drop between pages. His achievement is in creating an uncomfortably familiar world of flaw, fear, and promise. Entertainment Weekly There is no one writing today who does shameless, Michael Bay style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time. NPR Morning Star is this trilogys Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies. Tor.com Excellent . . . Browns vivid, first-person prose puts the reader right at the forefront of impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion. Publishers Weekly (starred review) A page-turning epic filled with twists and turns . . . The conclusion to Browns saga is simply stellar. Booklist (starred review) Multilayered and seething with characters who exist in a shadow world between history and myth, much as in Frank Herberts Dune . . . an ambitious and satisfying conclusion to a monumental saga. Kirkus s From the Hardcover edition. Kurzbeschreibung#1 NEW YORK TIMES BESTSELLER Red Rising thrilled readers and announced the presence of a talented new author.
